OVERVIEW

Available for sale at its current boat location, this captivating yacht artfully blends refined elegance with confident performance, ideal for buyers who desire both graceful lines and dependable power on the water.

Propelled by a Mercury V8 300hp engine with only 264 hours of use and managed through the Mercury Smartcraft system for seamless control, the vessel presents a striking Baby Blue hull that draws the eye. Navigation is assured by a Raymarine GPS and communication remains reliable via an Icom VHF radio, while a high-quality Fusion Stereo system supplies superb onboard audio. A durable fiberglass hardtop finished in a sleek black powder coating adds both protection and style, and the layout invites relaxation with comfortable aft seating and a spacious forward lounge offering convenient storage beneath. A practical tow hook increases versatility for watersports and towing needs. This yacht is a superb synthesis of luxury and utility, a standout choice for discerning buyers. Do not miss the opportunity to own this remarkable vessel.

DETAILED DESCRIPTION

2022 Boston Whaler 250 Dauntless

The 2022 Boston Whaler 250 Dauntless is a masterful blend of performance and versatility, designed to cater to a wide range of activities from fishing and water sports to comfortable offshore cruising, delivering a smooth, confident ride from daybreak to dusk. Its spacious center console layout invites convivial days on the water with an inviting bow lounge and a sleek, redesigned hull that enhances both aesthetics and seaworthiness. Built with meticulous attention to detail, every rail and piece of hardware is constructed from welded 316-L stainless steel for enduring strength and a refined finish, while the deck and cockpit are thoughtfully arranged with a tow hook, a 22-inch interior freeboard and strategically placed cleats to ensure secure mooring and effortless handling. The low-profile bow and aft rails echo the boat's streamlined silhouette, complemented by a full-width aft casting platform, numerous stainless steel drink holders and a 35-gallon insulated livewell with a blue interior and flush-mounted lid in the stern deck that together make this model equally at home chasing trophies or enjoying family outings. The center console is appointed with an acrylic windshield, a cast stainless steel steering wheel with a knob and a compass, and the console face is finished in a tan gelcoat that frames an electrical switch panel with circuit breaker protection, an electronics mounting surface prepared for a 12-inch display and a welded stainless steel grab rail; for practicality the console also houses a removable portable head with a pump-out and interior LED light. Seating aboard the Dauntless 250 balances comfort and functionality, featuring a forward bow sun pad with folding backrests, a forward console lounge with armrests and drink holders, a reversible pilot seat with a locking backrest and integrated cooler and port and starboard stern seats with folding backrests to accommodate

anglers, guests and family with equal ease. Storage has been comprehensively considered, from the bow anchor locker with an overboard drain and stainless steel gas shock to a forward fishbox/storage compartment with an overboard drain and lockable console storage sized to accept multiple rods, buckets and gear, while the reversible pilot seat base doubles as a cooler or additional storage. Underway, a 300 V8 Mercury FourStroke engine with hydraulic power steering provides responsive, reliable performance, complemented by the SmartCraft deluxe gauge package, tilt steering and a stainless steel propeller; essential systems include a 90-gallon fuel tank, an automatic bilge pump, dual battery trays with a switch and automatic charging relay for house bank charging, an electric horn, a fuel/water separator and navigation lights, all contributing to safety, convenience and confidence on every trip. In short, the 2022 Boston Whaler 250 Dauntless is a versatile, well-equipped vessel that offers anglers and cruising families alike an ideal balance of capability, comfort and timeless style.
