## Standard Key Features

---

This yacht features a refined exterior with a pristine white hull and deck, radiating elegance and sophistication on the open water. The starboard cockpit is easily accessible through a dedicated door, and the swim ladder facilitates effortless entry and exit from the sea. Navigational ease is ensured with integrated navigation lights, while the anchor locker offers practical storage for anchoring gear. The self-draining cockpit is crafted for efficiency, allowing water to be swiftly expelled.

Fishing aficionados will value the well-placed rod holders and cockpit rod storage, which keep equipment neatly organized and within reach. The SmartCraft Speedo-/Tachometer provides accurate readings of speed and engine performance, enhanced by the comfort of tilt steering for a personalized driving experience. The foredeck opening portlight and side window allow natural light and fresh air to enhance the onboard atmosphere. Inside, the dinette seating arrangement offers a cozy area for dining and relaxation, complete with a sink and tap for added convenience. The dual battery system guarantees a dependable power supply, while hydraulic steering ensures smooth and responsive maneuvering. Visibility is assured in all weather conditions with windshield wipers on both the starboard and port sides, providing a clear view ahead. This yacht effortlessly merges practicality with elegance, making it a perfect choice for both leisurely cruises and adventurous voyages.

## Optional features

---

This yacht comes with a remarkable selection of optional features that

significantly enhance the onboard experience. The Premium Package boasts an advanced pump-out water system for fish lockers, a baitwell system, and a raw water washdown, ensuring fishing enthusiasts are fully equipped for a successful outing. Convenient rod storage and cockpit toe rails are included, while the GPS 9" Simrad evo3s offers accurate navigation. Entertainment is elevated with a Fusion stereo system featuring four speakers, and the hardtop roof hatch and spotlight add extra functionality. The enclosed head with a marine toilet, extended swim platforms, bow thruster, and bow electric windlass provide comfort and ease of operation. Shorepower and a windshield wash system round out this comprehensive package.

For those desiring extra comfort, the Cabin Comfort Package includes a cockpit table and shower, starboard and aft flip seats, LED courtesy lights, and cabin curtains. A refrigerator and forward berth cushion with filler enhance the luxurious ambiance. Communication is effortless with the Simrad VHF RS20S, while the Zipwake Dynamic Trim Control System ensures peak performance. Explorer rails with fender holders and a roof rack offer practical storage solutions, and the external cockpit GPS 7" Simrad NSS EVO3 provides additional navigational assistance. These optional features come together to create a yacht that is both functional and luxurious, meeting every need of the discerning sailor.
