YACHT WORKS IS DELIGHTED TO INTRODUCE THE NEW 26 RIDER, POWERED BY MERCURY OUTBOARDS FOR AN EXCITING RIDE!

DISCOVER THE DELIGHT OF THIS MULTIFUNCTIONAL BOAT!

The E26 Rider is an innovative bowrider, equipped with an outboard motor. Its streamlined hull and elegant lines convey both athleticism and elegance, establishing it as a contemporary classic with exceptional versatility. Whether used as a day cruiser or a luxury tender, it meets all expectations. You might even describe it as a "luxury day tender."

The bow section features a lounge area with a floor level with the cockpit, accessible via a central passage even while underway. Two opposing sofas on each side can function as seats or chaise-longues.

The design flows effortlessly through the center, with the cockpit serving as the heart of the yacht: a sophisticated and surprisingly spacious area with functional elements that offer maximum freedom for guests. Arranged symmetrically, two large sofas face each other, while the pilot and co-pilot have swivel chairs that can turn to join the social space. To the left of the steering area, a small sink and restroom are conveniently placed.

At the stern, the outboard motor is positioned between two decks, forming an elegant beach area that enhances boarding convenience and safety, as well as access to the water, assisted by a retractable ladder. Enjoy limitless movement and freedom.

DETAILED DESCRIPTION

Section name

The E26 Rider is an exceptional bowrider yacht that captures attention wherever it goes, delivering a thrilling ride powered by Mercury outboards. This vessel is more than just performance; it represents a fusion of athleticism and sophistication, establishing itself as a modern classic with remarkable adaptability. Whether you see it as a day cruiser or a luxury tender, the E26 Rider transitions effortlessly, even earning the moniker of a "luxury day tender."

The E26 Rider's design is both cutting-edge and practical. The bow deck includes a lounge area that integrates smoothly with the cockpit, accessible through a central passage that ensures safety even when the boat is moving. Inside, two sofas facing each other can be converted into seats or chaise-longues, offering both flexibility and comfort. The cockpit is the centerpiece of this yacht, an elegant and roomy space that provides ultimate freedom. It features two large sofas facing each other, while the pilot and co-pilot have swivel chairs that can turn towards the sofas, expanding the social area. To the left of the helm, a compact sink and restroom enhance the yacht's practicality.

At the back, the outboard engine is gracefully situated between two decks, forming a beach area that allows for safe and convenient boarding and water access, assisted by a retractable ladder. This design ensures unrestricted movement and freedom.

The E26 Rider is an 8-meter craft that merges sportiness and elegance with a distinctly vertical bow and smooth lines. It features a high-performance hull and exclusive design, available in two models: the E26 Classic with an inboard/outboard engine and the E26 Rider with an outboard engine. Both

26-foot models offer unparalleled features, versatility, and unique design, daring you to fall for just one.

This specific E26 Rider is equipped with numerous options, including a Cranchi E26 Rider with a Mercury 350 Verado engine, anti-fouling paint applied in two layers, a Bimini Top with black micro-perforated fabric, a bow thruster with an automatic fire extinguisher, and underwater lights. The sound system is enhanced for speakers on the roll bar, and a roll bar is included. The cockpit table comes with a cover, and the exterior upholstery is in Silvertex, ORANGE. The hull and deck are finished in a metallic color, specifically Bianca Panarea, a stunning metallic white.

The standard USA package boosts the yacht's allure with a waste water tank, bow sun cushion, cockpit fridge, shore power with a battery charger and cable, six fenders with covers, four deck hooks, a Fusion Bluetooth radio with USB, two speakers, an amp, subwoofer, and remote control. A cockpit cover, electric windlass with 30 meters of chain and a 5kg anchor, and an electric marine head are also part of the package. The yacht is delivered with MSO, packaging, and delivery to South Florida, ensuring a smooth transition from purchase to pleasure.
