## OVERVIEW

Blending Yamaha's DRiVE propulsion, precision wake-shaping systems and a striking, fashion-forward silhouette, the 255XD sets a new standard for versatile performance. The 2022 Yamaha Boats 255XD is a dual-purpose jet and wake boat that pairs athletic on-water capability with refined styling, measuring 24.5 feet overall and designed as a sport dayboat ideal for spirited outings. Its modified-V fiberglass hull provides a composed, confident ride whether easing along the shoreline or powering through wake-focused sessions, while twin Yamaha 1.8L High Output Vortex engines—each delivering 250 hp—supply sharp acceleration, responsive handling and agile maneuverability. With only 58 hours on the clocks and capacity for up to 12 aboard, this bowrider combines generous seating, thoughtful ergonomics and premium finishes to accommodate family and friends in comfort. The 255XD's blend of capability, comfort and chic design makes it an exceptional choice for those seeking luxury, versatility and exhilarating performance on the water.
