OVERVIEW

1963 Lyman Sportsman

Explore this exceptional 25-foot Lyman, expertly crafted for venturing into expansive waters. The vessel has benefited from comprehensive restoration work on its bottom, with the paint and varnish maintained in superb condition. Although the decks might require some future enhancements to maximize its allure, the inherent elegance is unmistakable. It is driven by a powerful Graymarine V-8 engine, based on the AMC 327 cubic inch block, providing a strong 188 horsepower. Included is a 2009 Loadmaster trailer, a valuable addition worth \$12,000 if bought new today. This yacht presents a unique opportunity for those seeking to purchase a yacht at its current location, making it a standout option in the yacht sales arena.

DETAILED DESCRIPTION

Section name

This 1963 Lyman Sportsman is an extraordinary 25-foot craft, ideally designed for thrilling adventures on expansive waters. It features a powerful Graymarine V-8 engine, built on the AMC 327 cubic inch block, providing an impressive 188 horsepower. This timeless boat has received extensive work on its bottom, ensuring its strength and performance while afloat. The paint and varnish are in pristine condition, adding to its visual charm. However, to truly elevate this boat's status, future attention to the decks will be necessary. A standout aspect of this offer is the inclusion of a 2009 Loadmaster trailer, valued at \$12,000 if purchased new. This trailer significantly enhances the value and convenience, making this Lyman Sportsman not only a stunning and capable vessel but also a wise choice for any boating aficionado.

Other details

The company provides the information about this vessel with sincere intentions, but it cannot assure or certify the precision of these details or the vessel's condition. Potential buyers are advised to have their agents or surveyors meticulously examine any specifics they want confirmed. It is crucial to understand that this vessel is available subject to prior sale, price adjustments, or removal from the market without prior notice.

Features

This yacht comes with an array of features crafted to elevate your time on the water. Within the vessel, an electric bilge pump ensures effective water control, granting you peace of mind during your voyages. The marine head enhances

comfort and convenience, making extended trips more pleasurable. Furthermore, the yacht includes a road trailer, offering seamless transport and adaptability for your explorations. Together, these features create a comprehensive and practical boating experience.

Propulsion

This yacht is driven by a sturdy Graymarine engine, model 188, crafted in 1963. With a total output of 188 horsepower, this inboard engine is built for consistent performance. The direct drive system guarantees efficient power delivery, making it a trustworthy option for diverse water environments. Running on gasoline, the engine is matched with a three-blade bronze propeller, boosting its durability and effectiveness. This propulsion setup merges timeless engineering with practical utility, ensuring a seamless and powerful boating experience.

Specifications

This yacht features remarkable dimensions, with a total length of 25 feet and a beam spanning 8.17 feet, offering generous space and stability on the water. It can comfortably host up to eight guests, making it perfect for social events or family trips. The yacht includes a plastic fresh water tank with a 5-gallon capacity, ensuring a steady supply of fresh water. Moreover, the steel fuel tank holds 60 gallons, enabling longer voyages without the need for frequent refueling. These specifications underscore the yacht's practicality and preparedness for a wide range of aquatic adventures.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide.
