DETAILED DESCRIPTION

Section name

Presenting the Barletta Cabrio 24UE, a 2022 model that perfectly marries luxury with performance in the realm of pontoon boats. This pre-owned powerboat, driven by a powerful 150 Mercury engine, is crafted from sturdy aluminum, promising both durability and a smooth sailing experience. With just 106 hours of use, this vessel is ready for countless more voyages. The Cabrio 24UE features remarkable dimensions, with an overall length of 24 feet 3 inches and a deck length of 25 feet 2 inches, offering plenty of room for leisure and entertainment. Its beam spans 8 feet 6 inches, providing stability and comfort, while the dry weight of 2,782 pounds ensures easy handling and transport. A standout feature is its fuel efficiency, with a 24-gallon tank that supports long journeys without frequent stops for refueling. Designed to host up to 11 passengers, this pontoon boat is ideal for family adventures or social events on the water. As a member of the pontoon boat class, the Barletta Cabrio 24UE is not only functional but also delivers a stylish and comfortable experience. Whether you're gliding across a tranquil lake or navigating coastal waters, this boat guarantees an unforgettable adventure.

Other details

Disclaimer: The Company shares the details of this vessel with sincere intent, aiming to deliver precise and dependable information. Nonetheless, it cannot assure or guarantee the accuracy of these details or the vessel's condition. Potential buyers are advised to have their agents or surveyors meticulously examine any specifics they wish to confirm. It is crucial to understand that this vessel is available subject to prior sale, price adjustments, or removal from the market without prior notice.

Features

This yacht comes fitted with vital electronics designed to elevate your nautical journey, featuring a dependable depthsounder. This device offers precise and up-to-the-minute data on the water depth below your craft, ensuring peace of mind and security as you traverse different aquatic environments. Whether you're navigating shallow coastal regions or delving into deeper seas, the depthsounder is an indispensable asset that boosts both the practicality and pleasure of your yachting experiences.

Propulsion

This yacht is driven by a cutting-edge Mercury engine, the 150 model from 2022, offering a robust 150 horsepower. Crafted for peak performance and efficiency, this outboard engine operates on gasoline, guaranteeing a smooth and powerful journey. The propulsion system is complemented by a three-blade propeller constructed from premium stainless steel, ensuring both durability and exceptional thrust. This blend of innovative engineering and sturdy materials guarantees that the yacht delivers both dependable and thrilling performance on the water.

Specifications

This yacht features remarkable dimensions that elevate its visual allure and practicality. Spanning an overall length of 25.17 feet, it provides generous room for unwinding and hosting, perfect for both relaxed voyages and lively get-togethers. With a beam of 8.5 feet, it offers a stable and cozy base, ensuring a seamless and pleasurable time on the water. These thoughtfully designed dimensions enhance the yacht's superb maneuverability and

performance, making it an exceptional option for discerning boating aficionados.
