DETAILED DESCRIPTION

Section name

In search of an electrifying boating adventure? Discover the remarkable 2019 Scarab OpenID boat. Crafted to offer the perfect fusion of sporty performance and leisurely cruising, this vessel provides an exhilarating journey for both seasoned sailors and beginners.

The Scarab OpenID boasts a sleek and modern design that is sure to capture attention on the water. Its eye-catching exterior is matched by a spacious and elegantly designed interior, featuring plush seating and generous storage options. Whether you're spending the day water skiing, wakeboarding, or simply enjoying a serene cruise along the coastline, you'll relish the upscale amenities and thoughtful arrangement of this boat.

Powered by robust Twin Rotax 250 engines, the Scarab OpenID offers remarkable speed and agility, enabling you to glide effortlessly across the waves. Its innovative hull design guarantees stability and smooth handling, even in rough waters. With rapid acceleration and precise steering, you'll navigate tight turns and execute thrilling maneuvers with ease.

Features

The Scarab OpenID boasts a remarkable selection of features that elevate both its practicality and visual charm. Its vibrant Impulse Crimson Red hue ensures it catches the eye on the water, while the tandem axle painted trailer offers convenient and stylish transport. For water sports enthusiasts, the Surf Stream wake enhancement system is revolutionary, creating perfect waves every time. The digital speed control package provides precise maneuverability, ensuring a smooth and enjoyable boating experience.

Enhancing its appeal, the boat includes a hard T-Top with mat, offering shade and comfort on sunny days. The touch screen interface provides intuitive management of the boat's systems, while the aft sunpad is ideal for relaxing and sunbathing. The cockpit cooler keeps your drinks chilled, and the bow table is perfect for socializing on the water. With two wakeboard racks, storing your equipment is effortless, and the upgraded steering wheel enhances the driving experience.

The premium sound package ensures your favorite music is always playing, while the bow seating package provides extra comfort and space for guests. For added convenience, a porta pottie is included, making longer journeys more comfortable. The underwater and docking lights not only add elegance but also enhance visibility during nighttime excursions. Every feature of the Scarab OpenID is meticulously crafted to deliver an unmatched boating experience.

Overview

The Scarab 255 Open is a 25-foot marvel that captures the essence of adventure and limitless possibilities. Crafted to create unforgettable experiences and bring joy to everyone on board, this vessel exemplifies Scarab's dedication to defying industry norms. Its excellence is showcased in the roomy and adaptable cockpit, offering more elegance and utility than anticipated.

The hull and deck are meticulously constructed, featuring stainless steel bow and stern eyes, a bow reboarding ladder, and dedicated anchor storage. Pull-up cleats and the option of a deck color—either classic white or a striking white/jet black duo—enhance its charm. Built with fiberglass stringers and equipped with a stainless steel horn, the boat complies with all relevant USCG and Canadian standards, holding NMMA certification with ABYC standards. LED navigation lights, a black plastic rub rail, and a stainless steel stern reboarding

ladder further refine its design. The swim platform is adorned with soft step espresso/teak mats, and the boat includes a tailgate and stainless steel thru-hull fittings. A glass windshield on the center console completes its polished appearance.

Within the cockpit, you'll discover stainless steel assist handles and drink holders, console mats, and an integrated bow cooler. Courtesy lights and a fiberglass liner with mechanical non-skid and stainless steel drains ensure safety and ease. The premium Scarab upholstery and flexible seating arrangements, including forward console seating, a helm bench with a center drop-down, and rear seating with removable backrests, offer comfort for all aboard. The self-bailing cockpit is a practical asset for any maritime journey.

At the helm, the boat is outfitted with an emergency engine shut-off and a comprehensive instrument panel displaying fuel level, fuel consumption, GPS speed, hour meter, compass, oil, volt, overheat, and check engine indicators. Illuminated switches and a custom Scarab gauge cluster enhance the helm's functionality, while the directional steering wheel and tilt steering provide precise control. A USB charging port ensures your devices remain powered throughout your voyage.

The engine and systems are engineered for dependability and simplicity, featuring a battery switch, single battery tray, and an automatic bilge pump. An engine blower and vents, along with a flush-out exhaust kit, ensure peak performance. The Intelligent Neutral & Reverse system and lateral thrust control improve maneuverability, while a 12V outlet and dual USB outlet offer added convenience. The weedless shaft guard is a considerate feature for those navigating through challenging waters.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
