# DETAILED DESCRIPTION

---

## Section name

---

This 2004 Maxum Cruiser is an exceptional yacht, seamlessly combining performance with comfort to captivate any boating aficionado. Measuring 25 feet, it is driven by a powerful Mercruiser inboard-outboard 5.0 L MPIB3 engine, with under 260 hours of operation, promising many more adventures to come. Outfitted with a Garmin Navigation system, it offers dependable guidance on your voyages, while the Bluetooth radio feature lets you indulge in your favorite music on the water. The audio experience is further elevated by new speakers, delivering sharp and clear sound.

Regarding upkeep and enhancements, this Maxum Cruiser has been meticulously maintained, boasting a new battery and alternator, along with a new battery charger to ensure seamless operation. The addition of trim tabs boosts the boat's stability and performance, providing a smoother journey. Furthermore, the shore power feature guarantees the boat is prepared for any docking scenario. In summary, this vessel is in pristine and excellent working condition, showcasing the diligent care and maintenance it has received. Whether you're navigating the coastline or spending a day on the lake, this Maxum Cruiser offers a dependable and delightful experience on the water.

## Other details

---

The Company provides the information about this vessel with sincere intentions, but it is crucial to understand that it cannot ensure or certify the precision of these details, nor can it guarantee the vessel's condition. Potential buyers are advised to employ their agents or surveyors to meticulously examine and confirm any specifics they find essential. This vessel is on the

market for purchase; however, please be mindful that it may be sold, have its price adjusted, or be removed from the market without prior notification.

## Features

---

This yacht comes with an array of features crafted to elevate your time on the water. For electronics, it boasts a GPS system for accurate navigation, cockpit speakers for enjoying music as you sail, and a VHF radio to ensure dependable communication. Inside, the yacht is equipped with a marine head, providing both comfort and convenience during your voyage, along with a battery charger to keep all systems operational. On the exterior, there is a cockpit shower, perfect for a refreshing rinse after swimming, and a cockpit table, ideal for dining or entertaining guests. Together, these features create a comprehensive and delightful boating experience.

## Propulsion

---

This yacht is driven by a Mercruiser engine, renowned for its dependability and high performance in the boating world. Crafted in 2021, the engine has been carefully maintained and has clocked just 100 hours, guaranteeing it remains in superb condition and is prepared for numerous future voyages. Operating on gasoline, this engine strikes a perfect balance between power and fuel efficiency, making it an excellent option for those who desire both robust performance and cost-effectiveness in their sea adventures.

## Specifications

---

This yacht features remarkable proportions, with a total length of 26.17 feet and a beam width of 8.5 feet, offering generous space and stability on the water. It can comfortably host up to eight guests, making it ideal for social

events or family trips. The yacht is fitted with a single fresh water tank holding 25 gallons, ensuring an adequate supply for your needs. Moreover, the fuel tank, crafted from sturdy aluminum, has a capacity of 55 gallons, enabling longer voyages without the need for frequent refueling. For added convenience, the yacht is equipped with one head, enhancing the comfort and practicality of your time aboard. These specifications come together to provide a comprehensive and pleasurable boating experience.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide.
