# DETAILED DESCRIPTION

---

## Section name

---

This series offers everything that dedicated fishermen seek in a sportfishing center console vessel. The Gamefish 25 is expertly designed to satisfy the demands of passionate anglers, arriving fully outfitted and ready for action. It features standard amenities such as multiple insulated fishboxes and livewells, keeping your catch fresh and vibrant. The cockpit and bow are equipped with bolsters to enhance comfort on extended fishing excursions, while all stainless steel hardware guarantees resilience and longevity in tough marine conditions. The Gamefish 25 is equipped with Yamaha Digital Command Link Gauges, delivering accurate and dependable engine information at your fingertips. For easy access and convenience, the boat includes side entry doors, simplifying boarding and disembarking. The recessed trim tabs and hydraulic steering come as standard, boosting the vessel's performance and agility.

With the angler's needs in mind, the cockpit provides ample space for 360° fishing, allowing you to cast and retrieve from any direction without hindrance. The hull is crafted to offer a smooth, dry ride, ensuring comfort and stability even in demanding environments. This boat exemplifies exceptional craftsmanship and thoughtful design, making it an ideal choice for those who are serious about their sportfishing pursuits.

## Standard features

---

The Gamefish Series comes with an impressive selection of standard features that perfectly balance comfort and functionality, making it a prime choice for boating aficionados. At the helm, you'll discover a sophisticated black acrylic dashboard equipped with a phone holder and wireless charger, ensuring your

devices are always ready. The Bait Tank Leaning Post, paired with Captain's Chairs, offers an ideal mix of practicality and comfort for extended days on the water.

For those who appreciate a hint of luxury, the bow area is fitted with backrests, bolsters, and cushions, all tailored specifically for the Gamefish Series, providing a serene space to enjoy the journey. The cockpit also includes bolsters, enhancing comfort during your fishing excursions. A fresh water system is part of the package, offering convenience for rinsing off after a swim or tidying up.

The integrated fiberglass T-Top with a tempered glass enclosure not only enhances the boat's sleek design but also shields you from the elements. Entertainment is elevated with the JL Audio MediaMaster, complete with an amplifier, delivering superior sound quality throughout your voyage. The marine dash mat and powder coat package contribute to the boat's visual appeal and durability.

Practical elements like the side entry door and underwater LED lights improve accessibility and visibility, while the windlass with a bow roller and rode makes anchoring straightforward. The inclusion of a china toilet with a holding tank ensures comfort on longer trips. Dual battery switches offer dependable power management, and the Bennett trim tabs with indicators provide precise control over the boat's balance and performance.

The Gamefish Series is driven by the sophisticated YAMAHA CL5 GAUGE and Yamaha Electric Steering, ensuring smooth navigation and control. This array of features makes the Gamefish Series an exceptional choice for those in search of a comprehensive and luxurious boating experience.

## Dimensions

---

The Gamefish Series features remarkable dimensions that enhance both

performance and comfort on the water. With a total length of 26 feet (7.9 meters), this vessel provides plenty of room for maneuvering and enjoying your maritime adventures. The beam spans 110 inches (2.8 meters), offering a stable and roomy deck area that boosts both safety and comfort during your journeys.

Although bridge clearance is not applicable, the boat's dry weight is a hefty 4,900 pounds (2,222.6 kilograms), reflecting a sturdy construction capable of handling diverse marine environments with ease. The fuel capacity is an impressive 144 gallons (545.1 liters), ensuring you have the range required for long voyages without the need for frequent refueling.

While the maximum number of passengers is not specified, the design is centered on delivering a premium experience for those on board. The total sleeping capacity is zero, highlighting that this vessel is intended for day trips and sportfishing rather than overnight stays. These dimensions and specifications underscore the Gamefish Series as a versatile and dependable option for those in search of a comprehensive boating experience.

## Disclaimer
