OVERVIEW

EXCITING NEW OFFER!!!

Engine has only 4 hours of operation!!!

The Antares 7 presents a strong and lively design. Its smooth, polished lines radiate a sporty elegance, accentuated by the rubbing strake that enhances the yacht's slim, refined silhouette. This new model carves out its own distinct character while maintaining the hallmark features of the Antares series. The cockpit, slightly offset to port, includes a spacious walkway to starboard, allowing easy access to the forward sunpad.

The careful attention to detail in the Antares 7's design continues into the saloon, which features a particularly attractive helm station. Outfitted with a sleek all-black dashboard, it perfectly complements the yacht's overall design. The numerous large windows and ventilation openings offer all passengers breathtaking panoramic views and excellent ventilation. With plenty of storage solutions and adaptable layouts, life on this yacht is remarkably comfortable. Discover yacht sales at the current boat location and seize the chance to own a yacht that epitomizes luxury and sophistication.

DETAILED DESCRIPTION

Section name

Presenting the latest addition, the Antares 7, a vessel that merges dynamic aesthetics with solid performance, having only 4 hours on the engine. This yacht exemplifies contemporary marine design, with its taut, sleek lines that radiate a sporty charm. Its graceful silhouette is highlighted by a unique rubbing strake, enhancing both its visual appeal and its streamlined, nimble profile. While the Antares 7 establishes its distinct identity, it faithfully retains the signature elements of the Antares series.

The cockpit is ingeniously crafted, slightly shifted to port, offering a spacious walkway to starboard for effortless access to the forward sunpad. This meticulous attention to detail continues into the saloon, where the helm station impresses with its striking design. The seamless all-black dashboard enhances the yacht's overall finish with grace and sophistication. Guests enjoy breathtaking panoramic views and excellent airflow, courtesy of the numerous glazed windows and ventilation openings.

Within the cabin, the Antares 7 provides ample storage options and a flexible layout, ensuring a comfortable onboard experience. This yacht is not merely about looks; it is about crafting an atmosphere where every voyage is delightful, seamlessly blending functionality with elegance in every facet of its design.

Other details

While the Company shares the details of this vessel with sincere intentions, it is crucial to acknowledge that it cannot ensure the precision of the information provided, nor can it guarantee the vessel's condition. Potential buyers are

advised to employ their own agents or surveyors to meticulously examine and confirm any particulars they consider important. Additionally, it is vital to recognize that this vessel is available subject to prior sale, price adjustments, or removal from the market without prior notice.

Propulsion

This vessel's propulsion is driven by a Mercury engine, a brand renowned for its dependability and excellence in the marine sector. The engine is a 2023 model, highlighting the most recent innovations in outboard technology. Delivering a total of 175 horsepower, it promises strong and efficient performance on the water. Impressively, the engine has only been used for 4 hours, making it virtually new and primed to provide outstanding power and speed. As an outboard engine, it offers the benefits of straightforward maintenance and exceptional maneuverability, making it a perfect choice for those who desire both power and ease in their nautical journeys.

Specifications

The dimensions of this yacht are meticulously crafted to deliver both luxury and functionality. Spanning an overall length of 21.25 feet, it offers generous space for activities on board while retaining a size that is easy to handle for navigation and docking. With a beam of 8.17 feet, it guarantees stability and a roomy interior that elevates the onboard experience. These specifications are expertly balanced to provide a vessel that is both adaptable and delightful, whether you're enjoying a relaxed cruise or setting out on more daring adventures.
