OVERVIEW

The listed price is provided as a guide, and all sincere offers will be welcomed. The 2010 Hydra-Sports 2500 VX is a rare blend of rugged capability and refined comfort, a coastal thoroughbred cloaked in purposeful lines. Its stout, deep hull carves through unsettled water with a composure seldom found in a 25 foot boat, while an express style, climate controlled cuddy offers a tasteful retreat for overnighting. Though elegantly appointed below, the vessel's character is unmistakably offshore: rugged toe rails, pressurized livewells and an expansive 8'10" beam combine to create a steady, confident fishing platform ideal for serious saltwater pursuits. Long admired for robust construction and true bluewater manners, this walkaround sportfish/express cruiser remains a standout for buyers who prize safety, longevity and uncompromising offshore capability in a compact package.

This versatile 25 footer was built for the chase and the cruise alike. After a period of light use, she will benefit from a thorough detailing and comprehensive servicing of all onboard systems to restore her to prime condition. Prospective buyers are encouraged to view the vessel in person and submit offers with confidence.

Please note a trailer is not included with this offering. Transportation can be arranged nationwide, with custom cradles available and coordination to ports for international shipment if required. Engine and machinery status is unknown; please review the machinery disclaimer and plan for your own inspection. No representations are made regarding the condition of motors, mechanicals, or onboard equipment. Photographs may depict compartments or machinery, but verification of actual condition is entirely the buyer's responsibility. Do not assume additional accessories are stored elsewhere; the boat is sold strictly as viewed, and offers should reflect the equipment present at inspection.

All particulars are presented in good faith but are not guaranteed and should be independently verified by the buyer. The vessel is offered subject to prior sale, price change or withdrawal without notice. All marine assets, whether owned or brokered, are sold AS IS, WHERE IS, with no warranties expressed or implied, including merchantability or fitness for a particular purpose, and no verbal agreements shall alter the terms of sale.
