OVERVIEW

The quoted price is provided as a guideline, and all reasonable offers are warmly invited. Introducing the 2013 South Bay 524 E, an elegant tri-toon pontoon designed to blend spirited performance with unhurried comfort. With a lounge-forward plan that beckons long, indulgent days afloat, this 25-foot vessel pairs a triple-tube hull for pronounced lift, steady poise, and assured handling with a Mercury 150 Verado outboard that delivers smooth, efficient propulsion for everything from languid cocktail cruises to brisk runs across the lake. Generous, social seating and an open, entertaining deck make this Luxury Pontoon equally suited to hosting friends as it is to quiet family outings, offering the practicality of a Deck Boat and the easy manners of a well-specified Outboard package.

Mechanically and cosmetically, the boat would benefit from a routine detail and a standard seasonal commissioning, yet it presents well for its vintage and highlights a layout made for sunset cruises, sandbar gatherings, and relaxed dayboating. The stability and comfort inherent to tri-toons are evident in her comportment, making this 25-foot tri-toon a versatile pleasure craft that performs admirably as a party-ready entertainer or a retreat for a solitary afternoon on the water.

Please note that a trailer is not included with this offering. Nationwide and international transport can be arranged through reputable marine carriers, including provision for custom cradles and port delivery for export; logistics support and shipping quotes are available upon request to simplify handling and delivery.

No representations are made regarding the condition of the motors or onboard systems, and prospective buyers are encouraged to inspect and verify mechanical and electrical items to their satisfaction. Photographs may depict components and equipment, but it remains the purchaser's responsibility to

determine actual condition and any required service prior to purchase. Do not assume that any accessories or stored items are included, as the vessel is offered strictly as viewed.

All particulars are supplied in good faith but are not guaranteed, and interested parties should independently confirm any details they consider material. The boat is offered subject to prior sale, price changes, or withdrawal without notice. All marine assets—whether owned or brokered—are sold AS-IS, WHERE-IS, with no warranty or guarantee expressed or implied, including any warranties of merchantability or fitness for a particular purpose. Offers are invited based on what is present at inspection, making this 25-foot tri-toon a compelling choice for those seeking a stylish, capable Pontoon, Tri-toon, Luxury Pontoon Boat, Deck Boat, Dayboat, and Outboard-powered entertainer.
