OVERVIEW

LISTED PRICE IS GUIDANCE ONLY. ALL COURTEOUS OFFERS INVITED.

The 2003 Triton 2486 Walkaround presents as a tasteful union of comfort, capability, and versatility, fashioned for anglers and families who prize simple handling with offshore assurance. This true walkaround hull encourages safe, unobstructed movement around the deck, while the compact cuddy offers a welcoming V-berth, a modest galley, and an enclosed head that extend day trips into overnights with ease. Purposeful fishing appointments — rod holders, dedicated tackle stowage, live wells, and thoughtfully integrated cockpit seating — create a fish-ready environment without compromising the pleasure of relaxed cruising. At roughly 25 feet in length, this walkaround cuddy cabin occupies a sweet spot for sportfishing and saltwater enthusiasts seeking a medium-sized powerboat that balances bluewater ambition with weekend-cruiser comforts. This vessel is offered in the categories of Walkaround, Cuddy Cabin, Sportfisher, Offshore Fishing, and Family Cruiser. She presents well for her vintage, showing the expected wear of a working boat and ready to benefit from a thorough detail and routine seasonal commissioning. Currently hauled for winter storage and available for inspection in person, she invites examination and offers from serious buyers who see her firsthand.

No trailer is included with this sale.

Please review the Motors and Machinery Disclaimer regarding engines and related systems.

Nationwide marine transport, custom cradles, and shipment to port for export can be arranged upon request to facilitate relocation or delivery.

No representation is made regarding the condition of engines, motors, or onboard machinery. Photographs of machinery spaces, when provided, do not
