## OVERVIEW

---

The 2023 Sea Hunt Ultra 255 SE arrives as a refined expression of performance and polish, a center console designed to answer the demands of offshore runs, sportfishing days, family outings, and coastal cruising alike. Measuring 25'5" overall with an 8'9" beam, this Light Blue-hulled example carries 144 gallons of fuel and is powered by a Yamaha F300 with only 210 hours, combining confident range and spirited acceleration with efficient, dependable propulsion.

Every amenity aboard has been carefully chosen to enhance comfort and function. The cockpit benefits from a deluxe helm leaning post that conceals tackle storage and an integrated livewell, while forward lounge seating with removable backrests and a full cushion and bolster package create inviting spaces for relaxing between runs or setting up for a day of saltwater fishing. A fold-away aft bench and generous bow lounge make the layout effortlessly adaptable for fishing, sandbar lounging, or sunset cruising.

Electronics and entertainment are thoughtfully appointed: a Garmin GPSMAP multifunction touchscreen provides CHIRP sonar and chartplotting, and a JL Audio premium Bluetooth stereo fills the decks with sound. Practical conveniences include freshwater and raw-water washdowns, trim tabs with LED position indicators, and underwater LED lighting for evening ambiance. The factory hardtop houses integrated lighting and speakers, and the enclosed console head features an electric-flush marine toilet for extended comfort. Polished stainless-steel hardware throughout lends a durable, finished look.

Built on Sea Hunt's deep V Ultra hull for a dry, composed ride in mixed conditions, this Ultra 255 SE sits at the top of the line for anglers who value family-friendly appointments. Meticulously maintained and rack-stored, it presents in near-showroom condition—an immediate, cost-saving opportunity to own a highly sought-after fishing yacht, sportfishing boat, luxury day boat,

family dayboat, and coastal cruiser without waiting for new delivery.
