## OVERVIEW

---

### Financing Options Available — Trades Welcome

This 2019 Sea Hunt Gamefish 25, a single-owner center console, has been maintained with exacting care and configured to deliver both refined comfort and serious performance. She is propelled by a 2021 Suzuki 350 HP outboard with 470 hours and a transferable 5-year warranty, regularly serviced and kept to a high standard, providing confidence for extended passages. Thoughtfully outfitted with premium conveniences — JL Audio entertainment, Taco Grand Slam outriggers, Simrad electronics and underwater lighting — the boat is turnkey for offshore sportfishing or unhurried dayboating. Notable features include a convenient side dive door, an enclosed head complete with a blackwater tank and macerator, and a heavy-duty tender tow bracket for added versatility. With a 150-gallon fuel capacity, this center console is built for long runs offshore while remaining tender-capable for harbor days and fishing expeditions.

Center Console • Offshore Sportfish • Fishing Boat • Dayboat • Tender-capable

# DETAILED DESCRIPTION

---

## Manufacturer provided description

---

Purpose-built for serious anglers, this sportfishing center console series arrives tournament-ready with multiple insulated fishboxes and livewells, cockpit and bow bolsters, all-stainless hardware, and Yamaha Digital Command Link gauges as standard. The Gamefish 25, 27, and 30 further include side entry doors, recessed trim tabs, and hydraulic steering straight from the factory. Expansive cockpits are shaped for unobstructed 360° fishability, while the refined hulls deliver a notably soft, dry ride that sets a benchmark in the class.

## Additional equipment

---

A road trailer accompanies the vessel, streamlining overland transport and making launching and retrieval effortless wherever the bite is hottest.

## Electronics

---

A comprehensive SIMRAD electronics suite unites chartplotter, satellite GPS, and depth sounder for confident navigation and precise bottom reading, while a JL Audio MediaMaster MM50 stereo with a 280-watt amplifier and cockpit speakers sets the soundtrack to your run offshore. Brilliant LED underwater and spreader lights extend your day into the night, and clear communication and orientation are assured by a dependable VHF, an AM/FM entertainment radio, and a precision compass.

## Inside equipment

---

Inside the console, a fully appointed marine head features a blackwater

holding tank with macerator, paired with a porcelain toilet complete with a holding tank, convenient pump-out, and discharge for dependable, clean operation.

## Outside equipment/extras

---

On deck, plush cockpit cushions elevate comfort during long runs and drift sessions, a robust dive door simplifies boarding, swimming, and docking, and underwater lights add an atmospheric glow when the sun goes down.

## Hull

---

Confidence is built in with a 10-year transferable hull warranty and construction to ABYC standards. A deep V hull with 21° deadrise at the transom delivers composed performance offshore, while an integrated fiberglass T Top with LED lighting and a vapor mist system brings cool shade and all day relief. Finishing touches include a recessed powder coated bow rail and high quality stainless steel hardware and cup holders throughout.

## Performance

---

At the helm, SeaStar tilt hydraulic steering delivers fingertip control, recessed auto retract trim tabs with LED indicators keep the boat perfectly trimmed, and a high speed pick up system ensures optimal water flow to onboard systems, all monitored with precision by Yamaha Digital Command Link gauges.

## Fishing equipment

---

Serious fishability comes standard with a 35 gallon livewell integrated into the bait tank leaning post, a 27 gallon aerated transom livewell, and a cavernous

220 quart transom fishbox. Under gunwale rod storage with toe rails keeps gear organized and secure, gunwale cup holder/rod holders serve double duty, and big game tackle organizers and drawers keep essentials at the ready. A side entry door provides effortless access to the water, and a high pressure washdown system makes quick work of cleanup.

## Comfort and convenience

---

Bow bolsters and backrests pair with plush bow and cockpit cushions for lounge worthy comfort, a walk through transom door eases movement fore and aft, and a locking glove box secures small valuables. The helm stays tidy with a marine dash mat and acrylic dash panel, protection expands with an acrylic T Top enclosure operated by an electric actuator, and a 19 gallon freshwater system keeps rinses convenient.

## Safety and accessibility

---

Safety and access are always at hand with a retractable transom dive ladder, a swim platform finished in a non slip surface, recessed pull up cleats that stay clear of lines and feet, and a powerful horn for signaling.
