OVERVIEW

Beneath a classic ivory gelcoat finish, this motor yacht presents a refined blend of comfort and seafaring function: a Flexiteek partial deck inlay (cockpit excluded) underfoot, and plush, comfort-grade upholstery that invites long days aboard. Anchoring is resolved with a mirror-polished AISI 316 stainless-steel anchor weighing 7 kg, married to a 40 m calibrated chain and bow roller hardware, all brought aboard effortlessly by a 500 W electric windlass. A forward table for the bow lounge rests upon a manually operated table pedestal, while the helm is appointed with a dedicated steering wheel and pre-fit preparations for hydraulic steering, accompanied by a magnetic compass for traditional bearing. Modern conveniences appear as a wireless smartphone charging pad, a marine horn and audio system pre-wiring, ensuring both safety and entertainment.

Practical systems are thoughtfully integrated: an 80 L fresh-water tank and a 347 L fuel tank support extended cruising, with a fresh-water system that includes a deck shower and two automatic bilge pumps for peace of mind. Galley life is compact yet efficient, with a compact galley unit, stainless-steel tap and sink, and an integrated chopping board for preparation underway. Safety and handling features continue with a stainless handrail wrapped in leather, a full navigation lighting package, a battery isolator switch paired with a 100 Ah service battery, and a telescoping swim ladder alongside a towing eye. Deck hardware is clean and elegant: four flush “ghost” pop-up cleats (x4), an LED lighting set (x10), and a standard fender profile (rub rail) complete the specification, marrying understated style with seaworthy practicality.

DETAILED DESCRIPTION

Levanzo 25

The LEVANZO 25 is a luxurious day-boat that fuses the performance and robustness of a true Fisherman with the elegance and comfort of a cruising yacht, delivering astonishing space to savor unforgettable days at sea within just 25 feet. Its specially conceived full-open deck, the outcome of a design that lavished attention on every detail, makes the boat compact, beautifully balanced and effortlessly elegant, while a deep-V hull developed in collaboration with the Akas Design studio guarantees extraordinary stability and agile, confidence-inspiring maneuverability. A distinctive high flared bow and purposeful hull lines invite you to venture out when conditions turn demanding, maintaining composure and safety at speed; high sides further enhance stability and keep the deck perfectly dry even in rough waters, so every mile feels assured and refined. The standard specification is impressively complete and thoughtfully appointed: a Classic Ivory standard gelcoat and Flexiteek partial deck covering that excludes the cockpit, paired with standard upholstery; a 7 kg anchor in mirror polished AISI 316 stainless steel with 40 m of chain, a bow roller and a 500 W electric windlass; a bow table with a manually operated table leg; a steering wheel with hydraulic steering pre arrangement, a compass, a horn and a wireless smartphone battery charger, plus stereo system pre arrangement; an 80 L freshwater tank feeding a water system and shower alongside a 347 L fuel tank; two bilge pumps; galley furniture with a stainless steel faucet and sink and a chopping board; a stainless steel handrail wrapped in leather; navigation lights; a battery switch with a 100 Ah battery; a telescopic ladder and towing hook; four GHOST hidden cleats; a pack of ten LED lights; and a standard fender profile, so that every detail serves the pleasure of effortless, confident cruising on a day boat

crafted to feel far larger than its length.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
