OVERVIEW

Harris 250 Solstice, 2025, by HARRIS. At 26 feet LOA, this high performance luxury pontoon presents a striking Matte Midnight Blue exterior with black powder coated fencing, paired with a Manual Ultra Tower that features an integrated black Bimini for generous shade. A Lillipad diving board, a 1,000 lb rated ski tow bar, and a 4 step telescoping stainless boarding ladder transform quiet coves into inviting playgrounds.

Power comes from a Mercury 300L V8 Verado AMS with Joystick Piloting, Digital Throttle & Shift, power steering, and an on shore 120V battery charger. Joystick control enables effortless 360 degree docking and precise maneuvering, while the AMS delivers notably smooth, quiet performance. Engine hours: new.

The Center Walk layout with dual high back helm seats creates a balanced social flow, complemented by soft touch Luxury Gray upholstery and cool touch Slate Gray woven teak flooring. Entertaining touches include a woodgrain luxury sport table, a flip up chaise end table, integrated interior mood lighting, an American flag assembly, and well placed cup holders throughout.

At the helm, an Ultra Lux raised platform provides a clear view forward, supported by Deluxe Tech 2 and Convenience Packages with wireless phone charging, elevated helm architecture, and intuitive controls. Dual Simrad NSX9 displays offer crisp chartplotting, sonar, and engine data, while a JL Platinum Sound System delivers powerful, multi zone audio.

Status: Loaded with Deluxe Tech & Convenience Packages.

Location: MarineMax Lake Norman.

Trades considered (boats only).
