# OVERVIEW

Elevate every waterborne moment aboard the all-new 2027 Starcraft SLS-5 Q DH (Stock #224594), a premier luxury pontoon engineered for exceptional performance and consummate comfort, now offered by MarineMax Lake Lanier. Propelled by a Mercury 300XL DTS outboard featuring digital throttle and shift, power-assisted steering, and DTS smart gauges, this tri-toon glides with confident tracking and fingertip control. The Center Tube HD 25x25 package strengthens rigidity and ride quality, while the DLX power tower in a sleek black finish, the immersive Audio Plus system, vivid RGB lighting, a lounge arm table, the Lillipad Easy Step ladder, and a dual-battery setup with an onboard charger form a feature-rich platform for effortless lake-day leisure and watersports.

At the core, the Mercury 300XL DTS delivers precise, fluid throttle response and immediate maneuverability, paired with the heavy-duty 25x25 center tube for enhanced stability, lift, and structural integrity. Power-assisted steering minimizes fatigue and sharpens handling, complemented by a factory Mercury pre-rig with DTS smart instrumentation and professional engine hang and rigging for turnkey reliability. The DLX Power Tower introduces a bold, contemporary silhouette with straightforward fold-down ease, while the Lillipad Easy Step ensures secure, comfortable reboarding for swimmers and guests. After dusk, customizable RGB mood lighting sets a refined ambiance for elegant evening cruises across the lake.

Inside, the Audio Plus upgrade fills the deck with rich, balanced sound, the lounge arm table places refreshments within easy reach, and the Dual Highback (DH) seating arrangement delivers plush, ergonomic support for all-day relaxation. At the helm, crystal-clear Mercury DTS Smart Gauges present vital performance data at a glance, a dual battery switch enhances power management, and the integrated onboard charger keeps systems

primed for the next outing. The ergonomic captain’s console pairs seamlessly with advanced Mercury controls, reinforcing the yacht-like helm experience that defines premier pontoon boats and sport tritoons.

Upon delivery, you join the MarineMax family, enjoying a truly seamless ownership journey with a full fuel tank and a Go Boating Gear kit to begin your adventures. Flexible financing and insurance solutions simplify the process, convenient online service scheduling supported by expert technicians, hands-on training and educational seminars to sharpen boating skills, and access to exclusive Getaways!® excursions and events that connect you with a vibrant community of fellow boaters. Visit MarineMax Lake Lanier to experience this SLS-5 Q DH in person or arrange a private demo and discover how refined performance, upscale craftsmanship, and thoughtful innovation converge in this standout luxury pontoon.
