OVERVIEW

The 2024 Chaparral 250 OSX stands as a premier bowrider, seamlessly merging sophistication, performance, and functionality for yachting enthusiasts. Available for purchase at its current location, this vessel measures 26'6" in length with an 8'6" beam, offering ample space for up to 14 passengers. Powered by a formidable 250 HP Yamaha F250XSB four-stroke outboard engine, it ensures smooth and efficient journeys.

Notable features include a 60-gallon fuel tank, an electric head with a holding tank, and a cockpit drainage system for added ease. The helm is equipped with dual Simrad chartplotters, providing advanced navigation capabilities. The cockpit features a U-shaped aft bench, split sun lounges, and premium silicone upholstery, guaranteeing both comfort and durability.

Upgrades such as a Seadek swim platform mat, underwater lighting, and a JL Audio sound system enhance the onboard ambiance. With its chic design and versatile features, the 250 OSX is ideal for leisurely cruising and exciting water sports. For those in the market to purchase a yacht, this model is a standout option in the yacht sales arena.

DETAILED DESCRIPTION

Standard Key Features

This stunning yacht features an eye-catching exterior with hullsides in Stealth Gray, beautifully contrasted by a spotless white bottom. The cockpit is elegantly finished in Slate Painted Metallic, highlighted by a sleek black stripe along the hull. Built for peace of mind, it includes a 5-year Premier Level Component Warranty, promising enduring quality and performance. The SeaStar Hydraulic Tilt Steering ensures effortless and responsive navigation. The yacht is fitted with a Cockpit Drainage System (CDS) and a Self-Bailing System (SBS), effectively managing water to keep the deck dry and secure. A custom Bimini top provides shade and protection, enhancing comfort on your journeys. For added convenience, there is an enclosed head with an opening portlight, offering both privacy and functionality.

Seating is crafted for maximum comfort with ultra-comfort pedestal seats featuring flip-up bolsters, allowing for flexible seating configurations. The dual battery setup with a crossover switch guarantees dependable power management, while the spacious U-shaped aft seating area provides generous storage beneath, ideal for storing essentials.

The yacht's interior is enhanced with LED lighting in the cockpit, creating a welcoming atmosphere. Stainless steel dash panels and a deluxe steering wheel add a touch of sophistication, while the back-to-back aft seating easily transforms into sun lounges for relaxation. Twin Simrad 7" displays deliver comprehensive navigation and engine data, including chartplotter and depth information, keeping you well-informed at all times. Lastly, water-resistant circuit breakers provide additional safety and reliability, making this yacht a perfect fusion of luxury and functionality.

Optional features

This yacht comes with a variety of optional features that elevate both its functionality and opulence. The EFX II Electric Folding Arch Tower, finished in a sleek black hue, adds a contemporary flair and can be effortlessly adjusted for your convenience. To shield against the elements, the yacht is equipped with a black cover for both the cockpit and bow, keeping your vessel in immaculate condition.

Audiophiles will be thrilled with the enhanced JL Audio Sound System, which offers exceptional sound quality for a captivating audio experience on the water. The yacht also includes trim tabs with indicators, providing precise control and enhanced stability during your journeys.

Onboard conveniences feature an electric head with overboard discharge, offering both comfort and practicality. A dedicated head cabinet provides extra storage space, ensuring all essentials are neatly organized. The cockpit table, complete with its own storage, is ideal for socializing or enjoying meals with a view.

Anchoring is simplified with a galvanized anchor, ensuring both durability and reliability. Furthermore, the dual battery charger ensures your power requirements are consistently met, allowing for prolonged adventures without worry. These optional features come together to create a yacht that is both adaptable and luxurious, fulfilling all your maritime aspirations.
