## OVERVIEW

---

"CURRENT ASK" IS A REFERENCE. ALL SERIOUS OFFERS COURTEOUSLY CONSIDERED.

Available now is a 2006 Everglades 260CC center console, a 26-foot offshore sportfisherman propelled by twin Honda 225HP four-stroke outboards. Built on Everglades' renowned RAMCAP unsinkable hull, this vessel combines a confidence-inspiring ride with stout construction and genuine all-around capability for saltwater use. The design balances purposeful fishing systems with comfortable accommodations: a generous 200-gallon fuel tank supports extended runs, while a 36-gallon livewell and insulated fish boxes cater to serious anglers. Practical conveniences include freshwater and raw-water washdowns, forward seating with under-seat storage, and an enclosed head with electric-flush convenience, all sheltered beneath an integrated hardtop that carries rod holders and an electronics box. Whether pursuing bluewater sportfish, cruising the bay, or enjoying a family day on the water, this Everglades 260CC is configured to perform.

Actual condition: the hull and outfitting show age-appropriate cosmetic wear and would benefit from a thorough detailing and buff to renew the finish. The twin Honda outboards are fitted as described; exact engine hours are not recorded, though the owners report routine preventive maintenance has been performed. A trailer is not included with the sale and is not currently available.

Equipment: no trailer is included.

Engine(s) condition: please refer to the Motors and Machinery Disclaimer below.

Transportation: nationwide and international transport can be arranged, with custom cradles and delivery to port available. Logistics support and detailed quotes can be coordinated upon request to facilitate shipment.

Motors and Machinery Disclaimer: no representation is made regarding the condition of motors, engines, or machinery. Photographs may show the engine area and related components; prospective buyers are solely responsible for inspection and for verification of actual condition. Do not assume any additional accessories or stored equipment are included with the vessel; it is sold exactly as viewed. Offers should be based on the equipment present at the time of inspection.

The Company provides these particulars in good faith but cannot guarantee their accuracy or warrant the vessel's condition. Buyers are encouraged to independently verify all details. The vessel is offered subject to prior sale, price change, or withdrawal without notice.

All marine assets, whether owned or brokered, are sold AS-IS, WHERE-IS, WITH NO WARRANTY OR GUARANTEE, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. No verbal agreements shall apply.
