OVERVIEW

Wellcraft 270 Coastal

Location: Miami, Florida

Impeccably maintained and tastefully upgraded, this offshore walkaround cuddy presents itself as a refined sportfisher/express cruiser that marries seaworthiness with onboard comfort and individualized style. Propelled by twin Mercury 225 hp four-stroke outboards, she offers assured, fuel-efficient performance whether pursuing bluewater runs or enjoying leisurely weekend passages. A full professional custom paint finish gives her a distinctive, head-turning presence on the water that sets her apart from standard-production examples. Navigation duties are entrusted to a Garmin GPS system while a JL Audio premium stereo provides an elevated soundtrack for every voyage; evenings at anchor are enhanced by underwater LEDs and thoughtful courtesy lighting throughout. The climate-controlled cabin, complete with air conditioning and a refrigerator, introduces genuine overnight capability and a cool retreat for extended outings. A new 2024 aluminum trailer expands her flexibility and makes this trailerable offshore fishing boat as practical as it is elegant. The cockpit's generous layout has been configured to accommodate serious angling as well as gracious entertaining, and the secure walkaround design ensures effortless circulation from bow to stern; below deck, the welcoming cabin reinforces her dual identity as both a family cruiser and a capable bluewater performer. Fully prepared for immediate use with no outstanding projects, she awaits an owner ready to step aboard—please inquire to arrange a private viewing.
