# OVERVIEW

---

CURRENT PRICE IS AN INDICATOR AND ALL SERIOUS OFFERS ARE WELCOMED.

A graceful blend of sail and power, this 2010 MacGregor 26M presents as a trailerable water ballasted motorsailer that pairs the romance of canvas with the practicality of fast, efficient cruising. Propelled by an Evinrude E TEC 60hp outboard, this hybrid cruiser will comfortably push to speeds approaching 17 knots under power, yet when you step the mast and trim the sails it transforms into a true sailing boat with responsive handling. At roughly 26 feet on deck, the 26M surprises with an airy interior designed to sleep up to six, complete with a compact galley and a private head, making it perfectly suited to weekend getaways, family coastal passages, or for those seeking a single boat that trailers, launches, and stores with ease while still offering spirited performance and economical ownership.

Currently stored ashore for the winter and available for inspection by appointment, the vessel has seen light use and presents well for its year. The outboard shows low hours and the standing rigging is of more recent vintage. Prospective buyers are invited to step aboard, conduct their own survey, and submit offers.

No trailer is included with this sale.

Nationwide transport can be arranged, including custom cradles for overland delivery and port delivery options for export shipments.
