DETAILED DESCRIPTION

Section name

Experience the remarkable 2021 Parker 2300SE, a vessel that seamlessly blends style and practicality, ideal for a relaxing day at the sandbar or indulging in some serious fishing. This boat captivates with its Ice Blue sides and matching bottom, and it also provides financing and shipping options for your ease.

Beneath its sleek exterior, the Parker 2300SE is driven by a 2021 Yamaha F200XB engine, featuring a digital gauge and only 153 hours of operation, guaranteeing both reliability and performance. It comes with a 2021 Load Rite tandem axle trailer, included for effortless transport.

The yacht is outfitted with a Garmin GPSmap 942xs Plus touchscreen, offering sophisticated navigation features. Communication is effortless with the VHF radio and antenna, while the Fusion radio with four speakers elevates your entertainment with superior sound quality throughout your voyage.

Fishing enthusiasts will appreciate the livewell with an acrylic lid and generous rod storage, making it a true angler's delight. Comfort is paramount, with amenities like a bow cushion and a porta potty, ensuring a delightful time on the water. The forward and aft spreader lights improve visibility, allowing for enjoyable evening outings.

This yacht is impeccably maintained and exceptionally clean, providing a low-hour experience that is hard to come by. With all these attributes and more, the 2021 Parker 2300SE is the ultimate choice for both relaxation and adventure on the water.

Overview

The Parker "SE" Special Edition Center Console boats are crafted to deliver both adaptability and high performance, making them perfect for coastal fishing or relaxing days at the sandbar with loved ones. With a shallow draft and a Modified-V hull, these boats offer the versatility required for a variety of aquatic adventures. The "SE" series is packed with numerous standard features and a variety of options, allowing you to tailor the vessel to your personal preferences.

Standard on the boat is a flush deck bow, which can be converted into a straightforward fishing platform or an optional forward platform with storage and a removable cushion. This forward platform offers extra seating or lounging space for family fun. Removing the cushion transforms it into a casting platform, and when combined with the optional trolling motor, it becomes the shallow water fishing boat you've always wanted.

The center console features a headroom of 65 ½ inches, complete with a windshield, stainless steel grab rail, and a spacious electronics flat. It includes a forward-facing cushioned seat, a recessed footrest, and a storage compartment. The console door locks and provides access to a Porta-Potti, with LED overhead lighting enhancing visibility.

Standard equipment also includes a compass, horn, and an anodized aluminum leaning post with a rocket launcher for four rods, mounted on an above-deck live well with a 30-gallon capacity. Strategically placed stainless-steel pop-up cleats, rod holders, and cup holders add convenience. The boat also features an anchor locker, hydraulic steering with a stainless steel wheel, and both USB and 12v outlets.

For improved control, the boat is fitted with trim tabs with instant retract and position indicators, LED navigation and cockpit lighting, and a bilge pump with a float switch. Under-gunnel rod storage and toe rails, stern jump seats with

hinged lids, cushions, and grab rails enhance comfort and functionality. The self-bailing cockpit and swim platform with a ladder ensure safety and ease of use.

The hull and deck joint are secured with stainless steel fasteners, and a heavy-duty rub rail with a stainless steel insert ensures durability. Constructed with USCG flotation foam, the boat comes with a 10-year limited hull warranty, providing peace of mind for years to come.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
