OVERVIEW

The listed "Current price" is provided for guidance only; reasonable offers will be received and considered with courtesy. The 2006 Glastron GS 259 artfully marries spirited performance with refined onboard comfort and contemporary styling in a compact, trailerable sport cruiser of roughly 25 feet, delivering the amenities and presence of a 26-foot-class express cruiser. Beneath its streamlined exterior the interior is intelligently arranged, offering a fore berth and a snug aft cabin, a convertible dinette, a functional galley and a freshwater head, while the cockpit has been configured for convivial cruising with adaptable lounge seating, expansive sunning areas and capacity for up to nine guests organized around a well-appointed helm. Premium finishes and a clever use of space underscore Glastron's commitment to producing a pocket cruiser that maximizes volume and style without sacrificing livability or spirited character.

This vessel has been left unattended and will require servicing prior to use; onboard systems have not been evaluated and prospective purchasers should plan on a thorough inspection before submitting an offer. A trailer is included with the sale, noted as an American brand with a double-axle bunk configuration, and it has been towed on the highway. Nationwide delivery can be arranged, with shipping quotes available upon request, and we can coordinate cradle fabrication and delivery to a port to facilitate international export, tailoring transport solutions to your schedule and destination.

For details concerning the engine(s) and related systems, please consult the Motors and Machinery disclaimer below. No representation is made regarding the condition of engines, mechanical systems, or ancillary equipment; photographs may show the engine space and machinery, but it is the buyer's sole responsibility to inspect and verify condition. Do not assume any accessories or loose gear remain in storage—the boat is offered strictly as

seen—so please base any bid or offer on the vessel's inventory and condition at the time of viewing. The information provided is offered in good faith but without guarantee or warranty as to accuracy or the state of the vessel, and this listing is subject to prior sale, price change, or withdrawal without notice. All marine assets, whether owned or brokered by Certified Sales, Inc. or its affiliates, are sold AS-IS, WHERE-IS, with NO WARRANTY OR GUARANTEE, EXPRESS OR IMPLIED; THERE ARE NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, and no verbal agreements shall modify the terms of sale.
