OVERVIEW

2027 COBALT R8

The Cobalt R8 is purpose-built for big lake days with a full crew, blending a spacious layout, premium comfort, and confident performance to make every outing something to anticipate. Set up for watersports, afternoon swims, sunset cruises, and those long Minnesota evenings, it turns simple plans into full-on lake living.

Engineered performance meets easy ownership with the Monsoon 6.2L DI B3 stern drive delivering 430 horsepower, digital throttle and shift, dual batteries with switch, and a 110-volt charger. An 80-gallon gasoline tank supports full-day adventures, and the boat is Yacht Certified.

A white fiberglass hull with gelcoat is accented by satin white Cobalt lettering, a white rubrail with stainless inserts, and fixed stainless cleats. A wraparound windshield and premium easy-fold bimini with silver arms (black canvas sunshade and boot) provide protection, while brown Sof-Trac matting softens the gunwales and covers the swim platform. The flip-down swim step, transom tilt switch, transom walkthrough with in-floor locker, stainless cupholder, transom audio control, aft pylon with dedicated storage, transom speakers, swim platform lighting, bow windlass anchor, and full navigation, anchor, and docking lights are all aboard. Bow and cockpit black canvas snap-in covers are included, along with a flagpole and American flag.

Inside, caramel with carbon upholstery pairs with snap-in gray SeaGrass flooring over a white fiberglass base. Amenities include a teak dinette table, head with electric porcelain toilet, LED interior accent lighting, storage compartment lighting, generous in-seat storage, wraparound seating, a sunpad with rumble seat, an adjustable rear seat backrest, co-captain seat with bolster, adjustable passenger backrest, flip-down bow armrests, stainless steel cupholders, USB receptacles, hidden wastebasket, soft-sided cooler, a

retractable heater hose, in-floor storage locker, a bi-fold white bow door, glove box, and two fire extinguishers with dedicated mounts (aft portside seat and starboard bow seat). Audio is handled by Harman/Kardon speakers and subwoofer.

At the helm, a captain’s chair with bolster fronts dual Garmin touchscreen displays, with wireless phone charger/holder, cupholders, side net storage, windlass control, heater, Pro Control trim tabs, storage cubby, backlit dash buttons, tilt steering wheel, key ignition, and a Fusion Bluetooth stereo. A manual automatic fire suppression system adds peace of mind.

Trades considered (boats only). Available at MarineMax Crosslake.
