OVERVIEW

2025 Grady-White Boats Canyon 271

2025 Canyon 271, 27 feet LOA, balances Gulf-ready muscle with refined control. Twin Yamaha F300FM outboards deliver confident performance from the Destin Jetties to deeper water off Okaloosa Island, just as happy idling near Crab Island as stretching out on a longer run.

The helm presents a clean, capable impression: Garmin 9213XSV and 9213MFD displays paired with Garmin BlueNet for crisp charting and sonar. A 600W through-hull transducer sharpens the picture below, while Interphase systems—Yamaha and Fusion integrated with Garmin—keep data cohesive and intuitive.

Communication is equally polished. A Garmin 215 VHF with fist-mic and an 8' VHF antenna provide clear reach, and an NMEA 2000 starter kit ties the electronics into a tidy, reliable backbone—precisely the kind of integration that lets you focus on the water and the moment.

On deck, the Celestial Blue gelcoat turns heads along the Harbor and boardwalk, while an ivory bow shade and Sure Shade top offer welcome respite from the Florida sun. Set the bow table for a quiet pause between runs, or settle in while the skyline fades behind you.

Fish or cruise with easy versatility. The casting platform insert with cushions flips from lounge to stable footing when the bite turns on near the jetties or along the grass flats. From lazy afternoons at anchor to purposeful Gulf outings, this Canyon 271 carries Ft. Walton Beach days with composed style and the capability to match.
