OVERVIEW

“LISTED PRICE” IS FOR REFERENCE ONLY. ALL SERIOUS OFFERS WELCOMED.

The 2002 Monterey 262 Cruiser is a finely proportioned mid-cabin sport cruiser that combines robust build quality with thoughtful, upscale appointments, yielding an unusually open cockpit for a vessel of this size. A graceful walk-through windshield and a molded swim platform with transom gate create effortless boarding and water access, while below decks the design surprises with true standing headroom. The classic mid-cabin arrangement unfolds into a versatile interior: a convertible dinette that transforms into a V-berth, a compact galley for practical meal service, an enclosed stand-up head for privacy and convenience, and an aft double berth that increases sleeping capacity—features that make this trailerable 27-foot express cruiser punch well above its class for weekend getaways or short coastal passages.

This Monterey was not launched during the last season and will benefit from routine cleaning and standard seasonal commissioning; cosmetic wear consistent with its age is present. The included trailer appeared road-ready and successfully transported the boat at pickup without issue—prospective buyers should inspect the vessel in person and submit offers based on the boat as viewed.

A trailer is included with the sale. Nationwide transportation, custom cradles, and port delivery for international shipments can be coordinated through certified marine carriers, and full logistics support is available upon request.

Please review the Motors and Machinery Notice carefully: no assurances are provided regarding engines, mechanical systems, or onboard equipment.

Photographs may depict machinery spaces, but it is entirely the buyer's responsibility to examine and verify the actual condition of all propulsion and mechanical systems prior to purchase.

Do not assume that any onboard accessories or stored equipment are part of

the sale; the vessel is offered strictly as seen. Information is presented in good faith but is not guaranteed, and buyers are urged to independently confirm specifications and condition. Availability and price may change or be withdrawn without notice.

All marine assets, whether owned or brokered, are sold AS-IS, WHERE-IS, with no expressed or implied warranties, including merchantability or fitness for a particular purpose; verbal statements do not alter these terms.
