# OVERVIEW

---

The 273cc - Your Ultimate Adventure Companion!

Unveil the 273cc, a vessel that transforms versatility and opulence on the water. Celebrated for its excellence in yacht sales, this model shines brightly in the current boat location. Building upon the legacy of Everglades Boats' esteemed 243cc, the 273cc enhances the experience with upgrades that cater to every desire, even those you haven't yet envisioned.

This yacht for sale offers outstanding fishability, thanks to its stable, fish-centric fiberglass construction. The 2021 273cc features an innovative Upper Station, boosting visibility with a second helm, trim tab indicators, integrated forward rod holders, and a practical folding foot platform. Spot your catch before it notices you! The sleek, powder-coated bow rails and pop-up cleats, combined with a casting platform and bow seating, make netting live bait a breeze.

Outfitted with stainless steel gunwale flush-mounted rod holders, under gunwale rod racks, a lighted circulating live well, and over 82 gallons of fishbox capacity, the 273cc is a fishing powerhouse. Enjoy unparalleled comfort with two foldaway seats at the stern, positioned next to insulated storage, turning every journey into a luxurious escape. Explore yacht sales in the current boat location and seize the chance to buy a yacht that promises adventure and sophistication.

# DETAILED DESCRIPTION

---

## Section name

---

The 273cc - The vessel that ventures everywhere! Everglades Boats' 243cc has long been celebrated as the top hybrid for both inshore and offshore adventures. Staying true to our legacy of relentless innovation, this model elevates the 243cc to new heights. Introducing the 273cc: everything you admire about the 243cc, now enhanced to fulfill every wish...even those you haven't yet imagined.

Enhancing the exceptional fishability of our ultra-stable, fish-focused fiberglass bay boats, the 2021 273cc's cutting-edge Upper Station design boosts your visibility. It includes a secondary helm station, trim tab indicators, integrated forward rod holders, and a convenient folding foot platform. Spot fish before they notice you! The sleek, powder-coated bow rails and pop-up cleats, paired with the casting platform and bow seating, make netting live bait effortless. The stainless steel gunwale flush-mounted rod holders, secured and through-bolted, along with the standard under gunwale rod racks, a lighted circulating live well, and over 82 gallons of fishbox capacity, transform the 273cc into a fishing powerhouse. The most comfortable spot on any boat while cruising is the stern, and the 273cc offers two remarkable foldaway seats flanking insulated storage.

An enhancement from our 243cc model, the 273cc is a larger version of the industry's leading hybrid inshore/offshore boat. This vessel is equipped with the following options: Yamaha White Twin Engines-300hp with DES, Auto Pilot & Joystick for Yamaha EX, Main station, Gel color: WHITE, Upper Sport Station, YES. 3-position sliding sunroof/helm seat, poly cup holders, footrest, trim tab indicators, Garmin GHS 11 wired handset, Garmin 8612 additional screen includes joystick/autopilot if selected. Upholstery color: SOLID WHITE, Canvas

Package: console cover, forward console seat cover, helm seat cover, Mediterranean bow shade: WHITE, Upper station cover: WHITE, Power Pole 8' BLACK, JL speakers LED M6 upgrade, Limited light bar-18" low profile spotlight, Powder coating: BLACK, Underwater lights, Spectrum Quattro RGBW, Yamaha shipping surcharge, Electronics package: Elite 2-Garmin VHF 215, dual GPSMAP 8616xsv chart plotter, B175. HW transducer.

## Basic boat info

---

Presenting the 2023 Everglades 273CC, a brand-new powerboat that represents the zenith of contemporary marine design. This exquisite vessel, referred to as Boat #339 White, showcases Everglades Boats' dedication to excellence and innovation. Built with robust fiberglass, this boat offers both durability and sophistication on the water. The 273CC model is crafted to provide outstanding performance and dependability, making it the perfect option for those who crave both adventure and luxury.

The hull of the boat, marked by the ID RJDDA339E323, is an engineering marvel, guaranteeing stability and seamless navigation. In its immaculate condition, this Everglades masterpiece is prepared to embark on journeys and create unforgettable memories. Whether you're gliding along the shoreline or exploring the open sea, the 2023 Everglades 273CC is fully equipped to manage it all with elegance and poise.

## Dimensions

---

The proportions of this extraordinary vessel are carefully crafted to blend practicality with sophistication. Measuring an overall length of 27 feet 3 inches, this yacht offers generous space for relaxation and enjoyment. Its waterline stretches to an impressive 39 feet, boosting both stability and performance on the water. With a beam of 9 feet 3 inches, the interior remains roomy, while a

maximum draft of 2 feet 7 inches and a minimum draft of 1 foot 6 inches provide flexibility for navigating diverse water conditions. The bridge clearance is 7 feet 11 inches, making it adaptable to various cruising settings. The yacht's 20-degree deadrise ensures a smooth and efficient journey. Furthermore, the electrical system operates on a 12-volt circuit, guaranteeing dependable and effective functioning of all onboard systems.

## Engines / speed

---

This yacht is driven by a pair of powerful Yamaha engines, each offering a remarkable 300 horsepower. These 2023 outboard-4s engines are crafted for unleaded fuel, ensuring both high efficiency and superior performance. Both the port and starboard engines are fitted with three-blade stainless steel propellers, enhancing the vessel's smooth and potent propulsion. With zero hours on the engines, they are in immaculate condition, poised to deliver peak performance as soon as you embark. The combined engine power of 600 horsepower endows the yacht with outstanding speed and nimbleness, making it ideal for both relaxed cruising and thrilling adventures.

## Tanks

---

This yacht boasts a carefully crafted tank system, ideal for prolonged adventures on the water. It includes a single fuel tank with a remarkable capacity of 157 gallons, ensuring you have plenty of fuel for extended trips without the hassle of frequent refueling. Accompanying this is a water tank with a 20-gallon capacity, delivering a dependable supply of fresh water for your needs while sailing. This well-planned combination of fuel and water storage is designed to elevate your cruising experience, providing both convenience and tranquility as you venture into new territories.

## Additional info

---

This remarkable yacht is crafted with an emphasis on luxury and practicality, making it an ideal choice for enthusiasts of center console and saltwater fishing. Featuring a single head, it is classified as a center console, perfect for those who value open space and easy access throughout the vessel.

The yacht's construction is truly exceptional. It is unsinkable, supported by a lifetime hull warranty and a 3-year component warranty. The variable deadrise deep V-hull, created using the patented closed molded RAMCAP® process, ensures a smooth and stable ride. Certified by the NMMA, the yacht includes a self-bailing cockpit and is built without wood, using high-density, closed-cell structural foam flotation. The hull laminate consists of premium gel coat, a vinyl-ester barrier, and knitted bi-axle fiberglass, with a high-density composite transom. The hull liner and deck are seamlessly joined for a rigid one-piece construction, enhancing durability. Inside, the hull liner is fully finished, and the molded-in diamond non-skid surface ensures safety. The yacht's aluminum framework is fabricated in-house, sandblasted, and powder-coated with premium marine-grade materials. Wire harnesses are also made in-house, using marine-grade materials, with torque spec tightening on all terminals. Circuit protection is provided by circuit breakers or fuses, safeguarding all electrical circuits. The heavy-duty rub rail features a 316 stainless steel insert and end caps, while 316 cast stainless steel and chrome-plated fasteners offer additional corrosion and stain resistance. All hardware is bedded or gasketed to resist corrosion, and heavy-duty, welded bow and stern eyes are bedded and sealed in polyurethane. Bronze high-speed intake strainers and a Transhield™ shipping cover add to the vessel's robust construction. The patented hydraulic sliding windshield with tempered glass and an intelligent wiper and washer system ensures clear visibility. The console includes a glove box/storage bin, power port, USB charging ports, stainless steel drink holders, a Ritchie® compass, and a stainless steel steering wheel. A molded-in

fiberglass footrest at the helm and a China bowl head with a macerator and holding tank add to the yacht's comfort and convenience.

The fiberglass hardtop, supported by an aluminum powder-coated frame, includes LED lights, spreader lights, an electronics box, four rod holders, and a ski pylon. The premier audio package features a Fusion 770 control head with Bluetooth, JL M-Series speakers, a JL amplifier, and a subwoofer. Canvas life jacket storage is integrated into the hardtop.

On the deck and cockpit, you'll find a 200ft 1/2 - 8PLAIT 10ft 3/8 chain with swivel and anchor, full spectrum LED lights, and an anti-fatigue helm pad available in Mocha or Storm Gray. The yacht is equipped with 8-inch pull-up cleats cast from 316 stainless steel and through-bolted, stainless steel drink holders, recessed cockpit drains, low-profile aluminum powder-coated bow rails, and a retractable boarding ladder at the transom with a stainless steel grab rail. Cockpit coaming bolsters, forward console seating, bow seating with removable forward-facing backrests and locking storage, stern seats with folding backrests that convert to a casting platform, and a helm seat with an armrest provide ample comfort and versatility.

Mechanically and electrically, the yacht is equipped with a high-water alarm, LED full spectrum lighting, LED anchor light and navigation lights, LED courtesy lighting, and an electric horn. The engine starting battery bank and house battery bank both come with charging systems. Stainless steel trim tabs with position indicators and auto-retract (single cylinder) are included, along with raw-water and fresh-water washdown spigots.

For fishing enthusiasts, the yacht offers a forward cooler with a 97qt capacity and an aft cooler with a 45qt capacity. A circulating livewell with a light and clear acrylic lid, stainless steel friction hinges, and a latch holds 31 gallons. The forward fish box has an 82-gallon capacity, and stainless steel gunwale flush-mounted rod/cup holder combos are bedded and through-bolted. Under gunwale power ports and bow USB power ports, under gunwale rod racks on

each side, and lockable rod storage enhance the yacht's fishability.

This yacht comes with several options, including rod/cup holder combos, docking lights, a rigid light bar, JL M6 Series LED speaker upgrade, LED underwater lights, and an 8-foot Power Pole Blade® in white. The sport station features a 3-position sliding sunroof/helm seat, poly cup holders, footrest, trim tab indicators, lightbar, Garmin GHS 11 wired handset, and a Garmin 8612 additional screen.

The electronics package includes a Garmin GHS 11 wired handset with an upper station option, a Garmin marine radio VHF-215, a Garmin GPSMAP® 616xsv dual chartplotter/sonar, a Garmin GPSMAP® 612 single display, and a Garmin GT51M-transducer.

Canvas and upholstery options include solid white upholstery color, white canvas colors, and canvas cover options such as a helm seat cover, forward console seat cover, and console cover. A bow filler with cushion and a Mediterranean bow shade in white are also available.

The gel coat and paint options feature a Caribbean Blue hull color with hardtop undersides matched to the hull color.

The engine package includes twin 300hp Yamaha Helm Master EX engines with electronic steering, painted in white.
