OVERVIEW

The listed "Current Price" is provided strictly as a guideline, and all courteous offers will be warmly considered. The 2004 Wellcraft 270 Coastal is a seaworthy, trailerable 27-foot walkaround sportfishing cabin that elegantly marries comfortable family cruising accommodations with genuine offshore fishing functionality. This compact express sportfish offers the composure of a coastal cruiser while retaining the performance-oriented character sought by bluewater-minded anglers, presenting a thoughtfully arranged interior and purposeful fishing features for those seeking a small yet capable platform.

Cosmetically and mechanically the boat shows signs of recent neglect. The trim/tilt on the port outboard is not functioning, and one lower unit was submerged for several months. At the time of pickup both engines did start, and the included trailer performed well, towing the vessel back to the storage yard without issue. A comprehensive cleaning, routine seasonal service, a full systems inspection, and an initial shakedown cruise are strongly recommended before any extended use. Prospective buyers are encouraged to inspect the vessel in person and submit offers based on on-site observations.

A Magic Tilt triple-axle trailer is included with the sale, adding practical value for coastal moves or over-the-road transport and matching the needs of a 27-foot walkaround cuddy. Nationwide delivery can be arranged through our certified marine transport partner, with options for custom cradles and port delivery for overseas shipment; transportation quotes are available on request. Additional trailer options are stocked at our St. George, SC facility for buyers who require bespoke logistics solutions.

Please refer to the Motors and Machinery Disclaimer: no representation can be made concerning the condition of engines, generators, or onboard systems. Photographs of the machinery space may be provided, but it remains the

buyer's responsibility to verify actual status through inspection. Do not presume accessories or loose gear are in storage—the vessel is sold exactly as shown, and offers should reflect what is present at viewing.

The Company provides these particulars in good faith but cannot guarantee or warrant the accuracy of the information or the condition of the yacht; any specifics a buyer wishes to confirm should be independently verified. This vessel is offered subject to prior sale, price change, or withdrawal without notice. All marine products represented by Certified Sales, Inc. or its associates are sold as-is, where-is, with no warranty or guarantee expressed or implied, including no warranties of merchantability or fitness for a particular purpose, and no verbal agreements shall apply. For anglers seeking a capable coastal sportfish and families desiring an approachable cabin cruiser, this Wellcraft 270 Coastal awaits a discerning new owner ready to refresh and enjoy.
