OVERVIEW

The current price is provided for guidance only, and all reasonable offers will be given respectful consideration. The 2007 Chaparral 276 Bowrider masterfully combines the exuberance of a performance dayboat with the polished comforts of a luxury cruiser, presenting an adaptable open-bow platform for those who demand both style and substance. Stretching to nearly 29 feet overall and fashioned on a confident deep-V hull, this refined runabout delivers a notably cushioned ride and crisp, predictable handling when conditions build, while it is commonly marketed as a 27-foot bowrider. The 2007 276 continues to appeal to discerning powerboat owners who value upscale appointments, striking profile lines, and dependable performance offshore and on larger lakes. Reported actual condition indicates the vessel has been kept in rack storage for two years; the topsides show signs of fading and the boat would benefit from a detailed exterior renewal and standard seasonal commissioning. Prospective buyers are advised to inspect the boat in person and place offers based on the vessel as seen at inspection. A trailer is not included with this offering. Nationwide transportation can be arranged through a recognized marine carrier, with custom cradles and port delivery available for export; our Mendon, MA team can coordinate logistics and provide freight quotations upon request. Additional transportation assistance remains available through a qualified shipper for domestic or international moves, and the Mendon office can organize shipment details and pricing as needed. The Motors and Machinery Disclaimer makes no representation regarding the condition of engines, generators, or onboard mechanical systems; photographs that depict the machinery spaces are not a substitute for a physical inspection, and it is the buyer's sole responsibility to examine and verify true mechanical condition prior to purchase. Do not assume that accessories, spare parts, or loose gear shown in images accompany the sale or remain in storage; the vessel is offered strictly as viewed, and offers should

reflect the inventory present at the time of inspection. The Company provides these vessel particulars in good faith but does not guarantee the accuracy of the information or the condition of the boat. Buyers are urged to independently verify all details to their satisfaction. This yacht is offered subject to prior sale, price change, or withdrawal without notice. All marine assets, whether owned or brokered by Certified Sales, Inc. or its affiliates, are sold AS-IS, WHERE-IS, with NO WARRANTY OR GUARANTEE EXPRESSED OR IMPLIED, including NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. No verbal commitments shall bind the sale of this marine product.
