OVERVIEW

Offered for sale is a striking 2023 Axopar 28 T-Top BRABUS Edition, a bold fusion of Scandinavian minimalism, BRABUS performance styling and meticulous craftsmanship. At 9.18 m in length the boat's deep V GRP hull delivers a planted, confident ride, driven by a Mercury Verado 300 hp engine with low engine hours, yielding a top speed in excess of 46 knots and a comfortable cruising speed of 30 knots. Designed as a versatile sport boat, it performs equally well as a dayboat, sports cruiser, walkaround center-console, motor-yacht tender or weekend escape, with 280 L of fuel capacity and 45 L of fresh water to extend your outings.

Every detail speaks of refinement: the signature BRABUS styling cues and bespoke detailing are complemented by a T-Top with extended shade, upgraded seating and luxury upholstery, and a teak decked cockpit under a full boat cover. Practicality and technology are seamlessly integrated, from the Simrad navigation suite with chartplotter and a bow thruster that makes close-quarters handling effortless, to an electric toilet with a fresh-water system and a premium Fusion audio system for onboard entertainment. A swim platform with boarding ladder and a comprehensive stainless-steel hardware package complete the fit-out.

Condition: Virtually as-new — privately owned, never chartered, always dry-stored.

Location: Corfu, Greece
