OVERVIEW

****SAY CARBON 29**** The legendary wave-slicing bow design, paired with stability wings on the swim platform, guarantees exceptional steadiness and allows for remarkable cornering speeds. Constructed from a lightweight carbon monocoque, every SAY Carbon yacht captivates with astonishing acceleration and superb handling, all while optimizing fuel efficiency. This exquisite vessel has had a single owner. Although built in 2018, it spent two years on display without ever touching the water. The engine is in impeccable condition; it performs like a Ferrari on the water and sounds just as thrilling, with maintenance and antifouling completed in May 2024. We highly recommend viewings to seize this remarkable yacht for sale. ****NOTABLE FEATURES**** - 1 x Ilmor V8 7.4 litre Z-drive - New bearings replaced in May 2024 - New petrol pump - Accommodates up to 6 guests - Maximum speed of 55 knots This yacht is a prime opportunity for those looking to buy a yacht in the current boat location. Don't miss out on this exceptional yacht sale!
