OVERVIEW

Listed price is offered as a guideline; all serious offers are invited.

Experience the exhilaration of open-water cruising in a sport bowrider that marries lively performance with understated luxury. The deep V hull inspires confidence in choppy seas, producing a composed, dry, and predictable ride well suited for offshore passages and coastal hops. Measuring in the late 27–28 ft range, this Formula 270 presents a versatile cockpit laid out with convertible lounges and flip backrests that transform effortlessly from forward facing helm seating to an intimate conversation arrangement or an expansive sun pad. Thoughtful appointments—custom graphics, supple upholstery, and polished trim—elevate the dayboat to a refined runabout ideal for watersports, sandbar gatherings, or elegant sunset cruises. This 28 foot beauty serves as a spirited bowrider, dependable runabout, and comfortable family cruiser all in one.

This Formula 270 has been kept in rack storage and saw active use this season. Expect normal wear to the upholstery and minor surface nicks consistent with regular operation. Routine seasonal commissioning will be required prior to extended use. Viewings are available by appointment—inspect her in person and bring your offer.

A trailer is not included in this sale.

Nationwide and international transportation can be arranged through reputable marine carriers, with options for custom cradles and port delivery for export available on request.
