OVERVIEW

Fish, cruise, or entertain—this Grady-White 283 does it all

More photos coming soon!

This 2003 Grady White 283 Release is a refined center console crafted to satisfy the demands of both serious anglers and family cruisers, propelled by reliable twin Yamaha 225 four stroke outboards and offered with a premium double axle trailer valued at \$8,000. Cherished by its current owners and sheltered on the gently brackish waters of Maryland's Wye River, the boat has enjoyed far less salt exposure than many coastal vessels, making it an outstanding choice for offshore sportfishing, coastal passages, and assorted saltwater excursions. Thoughtfully outfitted, the Release features a custom electronics suite, routinely serviced engines, a VacuFlush marine head for comfort aboard, and a windlass that simplifies anchoring.

Tournament capable yet approachable as a family dayboat, this turnkey Grady White marries luxury and performance, instilling confidence on every run and ready for whatever the next trip demands.

DETAILED DESCRIPTION

Upgrades and features

Powered by twin 225 hp Yamaha four-stroke engines showing approximately 1100 hours with exhaust updates completed, this center console is specified to run hard and fish smart. At the helm, a 12-inch color Garmin XSV display integrates chartplotter, fish finder, radar and sonar, while a Garmin Fusion MS-UD650 Bluetooth stereo drives four speakers for crisp sound underway. Anchoring is effortless with a windlass and anchor, communication is clear via VHF radio, and safety forward is enhanced by an upgraded bow pulpit with raised bow rails. Electrical confidence comes from a Promariner Pro-sport D20 two-bank, 20 Amp battery charger. The robust T-Top adds gear storage, spreader lights, grab rails, port, center and starboard enclosure panels, and an electronics box, complemented by an electronic dash that shields your equipment when not in use. Anglers will appreciate the leaning-post baitwell with sink and storage, abundant rod holders, fresh- and saltwater washdowns, and the stability of trim tabs, while family and crew relax on upgraded forward seating with a casting platform and plush seat cushions. Below, an enclosed head with Vacuflush and sink ensures comfort for longer days, and a custom double-axle aluminum trailer stands ready for effortless transport.

Disclaimer

The details of this vessel are offered in good faith, yet no guarantee or warranty is made as to the accuracy of the information or the condition of the boat. Buyers are urged to have their agents or surveyors independently verify any particulars they wish to validate. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
