OVERVIEW

Moored off Puerto Rico's west coast, this MAKO 284 CC marries refined center console styling with offshore muscle, powered by twin Mercury Verado 350s and Joystick Piloting and carrying a 228 gallon fuel reserve to push farther offshore and linger longer on the bite—perfect for bluewater runs and island exploration. A true center console sportfish and offshore powerboat, she offers yacht level fit and finish and modern navigation courtesy of a Garmin GPS/chartplotter, while her robust fiberglass deep V hull, with a one piece integrated stringer grid and lustrous gelcoat finish, provides the strength and seakeeping to answer any open water challenge. She embodies Center Console, Sportfish, Offshore Fishing, Bluewater, Powerboat, Sportfishing Yacht, and Dayboat attributes.
