## OVERVIEW

---

LISTED PRICE IS A REFERENCE. ALL SERIOUS OFFERS WELCOME.

Step aboard a 2010 Chris Craft Launch 28 and experience timeless refinement on the water. This luxury dayboat marries classic Chris Craft lines with contemporary performance, its polished hardware and rich mahogany accents speaking to a pedigree of craftsmanship and superior fit and finish. The layout is inviting and purposeful: a generous cockpit opens to a spacious bow with deeply cushioned seating, arranged for effortless socializing during day cruises, sandbar gatherings, watersports sessions, or languid sunset passages. Naval engineering gives the Launch 28 poised, confident handling and a composed, sporty ride that preserves the unmistakable elegance of an American classic. Category keywords: Luxury Dayboat, Classic Runabout, Bowrider, Day Cruiser, Sport Boat, Powerboat.

This 2010 28' Chris Craft retains its two original engines, though the donor has reported minor concerns with one unit, and a complete mechanical survey is recommended to confirm operational readiness. She has recorded approximately 100–200 hours under the current ownership and was last used in July 2025, indicating she still has substantial life remaining for enjoyment and further use. Cosmetically she represents an inspired opportunity: a comprehensive detailing, teak refinishing, and refresh of cushions or upholstery will transform her into a show stopping example. Ideal for a buyer seeking a light restoration project with pronounced upside, she rewards a little TLC with a dramatic return in appearance and presence. Bring your best offer. Trailer is not included in the sale.

Nationwide transport can be arranged upon request, with custom cradles and port delivery available for export consignments. Shipping quotes are provided upon inquiry and can be tailored to your destination and timeline.
