OVERVIEW

28' Sea Ray 2001 280 Sundancer 280 DA

A versatile 28-foot cruiser with a 9'6" beam, this Sea Ray blends day-cruising ease with generous entertaining space and overnight comfort. The cockpit is spacious for socializing, while the cabin layout sleeps four adults plus a small additional bunk, served by a head with shower. Air conditioning is available when connected to shore power. The cockpit and swim platform extend the living area, with a swim-platform shower for convenience.

Power is provided by twin MerCruiser engines with stern drives. The port engine was replaced in 2026 and is believed to have fewer than 30 hours; the starboard engine, several years older, is estimated at fewer than 150 hours. The owner estimates total engine hours remain under 1,000. Both outdrives were removed and rebuilt last year, a service performed regularly in prior seasons, and both engines' interior and exterior outdrive mounting brackets were replaced approximately three years ago.

Recent updates and equipment include:

Full camper cover, lightly used

Main five Isinglass windows replaced within the past five years

Three upholstery pieces replaced in recent years

Batteries replaced this summer

Indoor/outdoor cockpit rugs in new condition

Cushions and bedding stored indoors every offseason and reported in excellent condition

A trailer is not included. The vessel has seen relatively light use, and the longtime owner has decided to sell. All offers respectfully considered.
