## OVERVIEW

---

Repowered in 2017 with twin Evinrude E-TEC G2 300 HP outboards, this Wellcraft 290 Coastal arrives with factory coverage through February 2027, offering genuine peace of mind. From day one it has been dealer-serviced and professionally maintained, with complete service records on hand, and the transferable warranty covers both engines and accessories. BRP — Evinrude's parent company — continues to honor those warranties and provides enduring parts and service support, while a premier certified Evinrude dealer in South Florida has overseen all engine care since the repower, underscoring the boat's exemplary maintenance pedigree.

Designed for true bluewater performance, this offshore walkaround express sportfisher is as capable as it is graceful: it leaps onto plane in seconds, settles into an effortless 34 MPH cruise, and tops out at 48 MPH. With an efficient average burn of about 1.5 MPG and a capacious 225-gallon fuel tank, it is configured for long runs through the Florida Keys or confident Bahamas crossings without compromise.

A recent fitment of brand-new Garmin electronics modernizes the helm with refined, intuitive navigation and fish-finding capability, marrying contemporary systems to a proven platform. The cockpit cushions and cabin soft goods were reupholstered in 2022 and remain in excellent condition, while most exterior cushions are easily removed and stowed inside to prolong their life.

Wellcraft's thoughtful layout on the 290 Coastal — widely praised as best-in-class — blends a versatile deck plan with a comfortable cabin, equally at home as an express cruiser, family weekender, or serious sportfishing platform. Elegant, turnkey, and ready to fish, cruise, and pursue weekend adventures offshore.

# DETAILED DESCRIPTION

---

## Description

---

Repowered in 2017 with twin 300 HP outboards, this Wellcraft 290 Coastal remains under factory warranty until February 2027 for complete peace of mind. Always dealer serviced and professionally maintained, it comes with full service records. The transferable warranty covers both engines and accessories, and the manufacturer continues to honor warranties while providing parts and service support for years to come. A certified dealer in South Florida services the engines and is available for more in depth information. On the water, this is a powerful, fast, and reliable offshore machine that jumps on plane in seconds, cruises effortlessly at 34 MPH, and reaches a top speed of 48 MPH. With an average fuel burn of 1.5 MPG and a 225 gallon fuel tank, you're set for long runs through the Florida Keys or the Bahamas. Brand new electronics were recently installed and are detailed below. Cushions and the cabin interior were reupholstered in 2022 and remain in great condition, with most exterior cushions designed for easy removal and indoor stowage to extend their life. Wellcraft perfected the layout on the 290 Coastal—widely regarded as one of the best designs in its class—making this boat truly turn key for fishing, cruising, or weekend adventures. Trailer included in sale.

## Other details

---

All new electronics and navigation include a GPSMAP 1242XSV chartplotter loaded with updated charts for the US and the Bahamas, a GX54 Sirius weather antenna, a 1 kW transducer, and a 24 mile radar that was previously installed. Comfort and fishing features are equally comprehensive: a 5000 W generator, air conditioning and a water heater, a smart battery charger, a VHF

radio with built in GPS, DSC functions and hailer, a live bait well, raw and fresh water washdowns, two large fish boxes with a macerator pump, a refrigerator, microwave, and electric stove, a recently refurbished vacuum flush head system, comfortable sleeping for four in the cabin, abundant storage for extended trips, a cockpit shade cover, a windlass, a stereo with amplifier, and a television in the cabin. Disclaimer: The company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

## Propulsion

---

Twin power comes from two outboard engines installed in 2017, each rated at 300 hp with 550 hours. The engine type is Outboard 4S, the drive type is listed as Other, fuel is gasoline, and both turn stainless steel propellers.

## Specifications

---

Performance is confident and efficient, with a cruising speed of 30.41 kn and a maximum speed of 43.45 kn. Dimensions include a length overall of 30.17 ft, a length on deck of 29 ft, a maximum bridge clearance of 9 ft, a maximum draft of 1.5 ft and a minimum draft of 1 ft, a beam of 10.42 ft, and a cabin headroom of 6.17 ft. The dry weight is 8,735 lb. Construction features an 18 degree deadrise at the transom, a fiberglass hull, and a modified Vee hull shape. Tankage comprises a 42 gallon fresh water tank and a 225 gallon fuel tank, while accommodations provide one guest cabin and one guest head.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
