OVERVIEW

The highly sought-after Bertram 28 Flybridge Cruiser stands as the most successful model in the Bertram lineup. Crafted with inspiration from the acclaimed 31-FC, the 28 has swiftly established itself as a formidable contender in offshore fishing. This remarkable vessel boasts a robust deep-V hull with a 23-degree deadrise at the transom, ensuring exceptional performance on the water. Its generous beam and expansive bi-level cockpit enhance both comfort and functionality.

Inside, the layout features a spacious V-berth at the bow, a convertible dinette to starboard, an efficient galley to port, and a roomy head with a shower located aft to port. In 2007, the yacht was upgraded with new Pleasure Craft (Crusader) 5.7 Ltr. freshwater-cooled engines, which have been gently used with approximately 335 hours logged. Additionally, a new aluminum fuel tank was installed during this upgrade. The interior upholstery was refreshed in 2011, adding to the yacht's appeal.

This meticulously maintained vessel is currently docked and ready for your next fishing adventure. Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that combines luxury with performance. Thank you for considering this exceptional yacht for sale.
