OVERVIEW

The advertised figure is provided as an indicative guide; all genuine proposals will be considered with respect. The 1997 Carolina Classic 28 is a distinguished example of an offshore sportfisher, combining nimble performance, sea-kind comfort, and all-weather capability in a compact 28-foot express convertible. Built upon a deep V composite hull, this sturdy craft cleaves through head seas while delivering a notably dry, cushioned ride, and the generous 10'6" beam produces one of the roomiest cockpits in its class—perfectly suited to serious anglers and weekend cruisers alike. Below decks the intelligently arranged cabin offers a V-berth with filler cushion and a functional galley adequate for overnight passages, while the raised helm deck provides superior sightlines and a protected, dry command station underway. The fishing cockpit is purposefully outfitted with capacious fish boxes, organized tackle storage, and secure rod lockers to make every outing efficient, and the boat's solid build, expansive foredeck, and available tower reinforce its balance of performance and practicality. Enduring in its appeal to both recreational and tournament fishermen, this 28-foot sportfisher remains a compelling proposition.

Usage of the vessel has been limited over the past year; she would benefit from routine servicing and a thorough systems inspection. Prospective buyers are encouraged to view the boat in person and to submit offers following inspection. A trailer is not included in this sale. Nationwide and international transport can be arranged, including custom cradles and port delivery for overseas shipment, and competitive freight quotes are available upon request; trailers can be sourced separately if required.

Please review the motors and machinery disclaimer: no representations are made regarding engines or onboard systems and buyers bear sole responsibility for verification. No statement of condition is provided for

engines, generators, or any mechanical equipment. Photographs that may show the machinery spaces are for general reference only; it is entirely the buyer's obligation to inspect and determine actual condition. Do not assume accessories or loose gear are included or stored elsewhere—the vessel is offered exactly as presented, and offers or bids should be made based on what is observed at viewing.

The particulars of this vessel are supplied in good faith, but no guarantee or warranty, expressed or implied, is made regarding their accuracy or the condition of the boat. Buyers should independently confirm any information they deem material. This yacht is offered subject to prior sale, price change, or withdrawal without notice. All marine assets, whether owned or brokered by the seller or its affiliates, are sold strictly AS-IS, WHERE-IS, with NO WARRANTY OR GUARANTEE, EXPRESS OR IMPLIED; NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE APPLY. No verbal commitments or representations shall form any part of the agreement.
