OVERVIEW

Current asking price is an indication only; all respectful offers are welcome.

Presenting a 2001 Sea Ray 280 Sundancer, an elegant 28-foot express cruiser powered by a single Mercury 383 MAG Stroker. This mid-cabin Sea Ray marries the responsive feel of a sport cruiser with the appointed comforts of a compact motor yacht, making it an inviting choice for weekend escapes, coastal passages, or inland explorations. Its sleek profile and sensible layout create the sense of a refined pocket yacht, offering enjoyable days and nights on the water while showcasing Sea Ray craftsmanship throughout.

This 280 Sundancer shows signs of deferred maintenance: cockpit and interior seating require refurbishment, and bilge water was observed above the cabin sole at pickup. Encouragingly, the engine compartment presents well, hinting at solid mechanical fundamentals beneath the cosmetic needs and positioning the boat as a potentially rewarding project for a discerning buyer. Step aboard, imagine the restoration, and submit your offer.

No trailer is included in the sale; trailers may be sourced separately.

Nationwide and international transport can be arranged, including custom cradles and delivery to port for export, streamlining the path from dock to destination.

Motors and machinery disclaimer: no representation is made regarding the operating condition of engines, systems, or equipment. Photos may show the machinery space, but inspection and verification are entirely the buyer's responsibility. Do not assume accessories or loose gear are in storage; the vessel is sold strictly as she sits and as seen, and any offer should reflect her present inventory at the time of viewing.

All details are offered in good faith, yet accuracy and condition are not guaranteed; buyers should independently confirm particulars to their satisfaction. This yacht is offered subject to prior sale, price change, or

withdrawal without notice. All marine assets are sold AS-IS, WHERE-IS, with no warranty or guarantee expressed or implied, including no warranties of merchantability or fitness for a particular purpose, and no verbal statements shall modify these terms.
