OVERVIEW

2016 Jeanneau MF855

Powered by: Twin Yamaha 150XB

Picture a sleek and compact cruiser, and the Jeanneau Coupe cruiser perfectly fits the bill. This elegant yacht features two fully equipped cabins with privacy doors, complemented by a complete bathroom with a shower. The adaptable dinette seamlessly converts to provide forward guest seating, a relaxing lounge, or a dining area, all while offering a stunning 360-degree view.

Navigating is effortless with dual engines, a bow thruster, an electric windlass, shore power, and a cutting-edge GPS plotter. Perfect for day excursions to sandbars or extended journeys through the Keys and the Bahamas. The dependable Yamaha 150 engines have been diligently maintained by the owner. The yacht is in immaculate condition, having recently undergone servicing, antifouling, and polishing for the summer. A generous 12' GPS is strategically placed for the Captain's convenience. Currently moored at a prestigious marina in Stuart.

This yacht has been under the care of a single owner since its acquisition. It has been consistently serviced and waxed, showcasing its excellent condition. The knowledgeable owner has treasured this vessel since it was brand new.

DETAILED DESCRIPTION

Boat information

The Merry Fisher 855 Offshore, a 2016 creation by the esteemed Jeanneau, exemplifies outstanding design and craftsmanship. Developed by the skilled Jeanneau Design team in partnership with Centkowski & Denert, this vessel seamlessly merges elegance with practicality. Equipped with twin Yamaha 150hp 4-Stroke engines, it delivers a smooth and robust performance, making it perfect for both relaxing cruises and thrilling adventures.

Situated in Stuart, FL, this boat features remarkable dimensions. With an overall length (LOA) of 28 feet 7 inches, it provides generous space for comfort and leisure. The beam spans 2.99 meters, or 9 feet 9 inches, ensuring stability and spaciousness on board. The draft, with the engine raised, is just 1 foot 10 inches, facilitating easy navigation in shallow waters. Moreover, the air draft is 9 feet 8 inches, allowing passage under most bridges and structures.

Weighing 7,390 pounds with engines, the Merry Fisher 855 Offshore is a sturdy yet nimble craft. This weight, paired with its powerful engines, guarantees a balanced and efficient performance on the water. Whether you're venturing along the coast or spending a day with family and friends, this boat offers an ideal blend of luxury, performance, and practicality.

Engines

At the core of this vessel are twin Yamaha 150hp four-stroke outboards, celebrated for their dependability and high performance. These engines feature electronic controls, providing smooth and accurate handling, which significantly enhances the boating experience. With 535 hours on the engines, they have been meticulously maintained and are prepared to offer many more

hours of reliable service. The helm is equipped with a full set of Yamaha outboard gauges, giving the captain all the essential data to efficiently oversee engine performance.

Regarding tankage, the boat is well-prepared for extended voyages. It features a generous fuel capacity of 106 gallons, enabling long-distance cruising without the need for frequent refueling. Additionally, the water capacity is 26 gallons, ensuring a steady supply of fresh water for all onboard requirements. This blend of robust engines and ample tankage makes the vessel an ideal option for those eager to explore the open seas.

Accommodations

The living spaces on this yacht are meticulously crafted to enhance both comfort and adaptability. It boasts two elegantly furnished cabins, offering generous room for both relaxation and seclusion. The sleeping configurations are versatile, with berths that can easily host four to six guests, making it perfect for family trips or small group getaways. The aft cockpit seating cleverly transforms into a sun lounge, providing an ideal spot for sunbathing or savoring the ocean breeze. Moreover, the dinette area can be converted into an additional berth, ensuring optimal use of space. For extra privacy, interior curtains are provided, allowing guests to enjoy their personal retreat while aboard. This blend of thoughtful design and functional features guarantees a luxurious and pleasant journey for everyone who embarks on this exceptional yacht.

Additional equipment

This yacht comes with an extensive selection of additional equipment aimed at boosting both functionality and comfort. The Quick Bow thruster allows for precise handling, while the electric anchor winch and upgraded fixed shank

scoop anchor, which self-rights, ensure dependable anchoring. A 12v refrigerator keeps your provisions fresh, and windshield wipers maintain clear visibility in any weather. Overhead sliding hatches provide ventilation, and the galley and heads are equipped with sinks for added convenience. The sea toilet includes a holding tank, and a cockpit shower adds a luxurious touch.

For relaxation, removable bow cushions and U-shaped seating with cushions and a table can be transformed into a sun pad. The Lenco trim tabs with an auto-retract feature improve stability, and a horn is included for safety. The yacht is fitted with 110v shore power, a battery charger, and 110v outlets, along with a hot water system on 110 volts, ensuring all electrical needs are covered. A mooring kit and anchor kit are also included for secure docking.

The sun awning and full aft cockpit enclosure in tan shield you from the elements, while the FUSION marine stereo system with speakers offers entertainment. All exterior comfort cushions are designed to be snapped or strapped in and are removable, allowing for easy customization of the space. This extensive array of additional equipment ensures that every voyage is as enjoyable and comfortable as possible.

Navigation equipment

The navigation suite on this yacht is crafted to guarantee secure and efficient journeys. Central to the system is the Lowrance HDS 12 GPS chartplotter, boasting a generous 12-inch display with built-in sonar features. This sophisticated device offers accurate navigation and detailed underwater imagery, making it an essential asset for both experienced mariners and beginners. Complementing the chartplotter is the Icom VHF radio, which provides dependable communication with other boats and maritime authorities, enhancing safety and coordination on the water.

A steering compass is also part of the equipment, offering traditional navigation assistance and serving as a trustworthy backup to electronic

systems. Furthermore, the yacht is fitted with navigation lights, ensuring visibility and adherence to maritime regulations during nighttime or low-visibility situations. This extensive array of navigation tools ensures that every voyage is undertaken with assurance and accuracy, enabling you to discover new horizons with peace of mind.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
