## OVERVIEW

---

"Current price" is an indication only, and every serious offer will be courteously reviewed.

The 2011 Rinker 280 Express Cruiser is a tasteful and adaptable express cruiser, fashioned for cruising couples and spirited families who prize refined lines, lively performance, and intelligent use of every inch aboard. This 28-foot mid-cabin cabin cruiser is engineered for effortless handling, marrying the quick-footed responsiveness of a powerboat with the composed presence of a compact motor yacht. The cockpit is thoughtfully composed around a streamlined refreshment center, with wraparound lounge seating and well-concealed storage that together create an inviting social space whether underway or at anchor. Below deck, the mid-cabin layout reveals upscale finishes, welcoming textures, and generous natural light, forming a tranquil refuge for weekend escapes or longer passages. Blending performance, comfort, and contemporary styling, the Rinker 280 presents as a sport cruiser that elevates routine cruising into an elegant experience.

This vessel has been stored ashore for approximately one year and will benefit from a comprehensive cosmetic freshening, routine seasonal commissioning, installation of new batteries, and the customary pre-launch preparations. Prospective buyers are encouraged to inspect the boat and consider the straightforward steps to restore her to peak condition, then step aboard and present offers with confidence.

A trailer is not included in the sale. Nationwide and international transport can be arranged, with options for professional over-the-road hauling, custom cradles, and delivery to port for overseas shipment. Quotations and coordination for logistics are available upon request to ensure a smooth transfer from berth to destination.

Please review the machinery notes carefully: no assurances are made

regarding the condition or operability of engines, propulsion, or onboard systems. Photographs that may depict machinery spaces are provided for reference only and do not constitute a guarantee of functionality. Do not assume that accessories or loose equipment are included if they are not present at viewing; the vessel is offered strictly as seen, and bids should reflect her present inventory and condition.

All particulars are presented in good faith but are not guaranteed, and the vessel's availability may change without notice. Buyers are urged to verify any specifics that are important to them. All marine assets, whether owned or brokered, are sold AS-IS, WHERE-IS, with no warranty, express or implied, including any warranty of merchantability or fitness for a particular purpose. No verbal statements shall alter these terms.

A poised synthesis of elegance and capability, this Rinker 280 Express Cruiser—equally suited as a family cruiser, weekend escape vessel, sport cruiser, or compact motor yacht—awaits her next chapter on the water.
