OVERVIEW

Onboard the Flyer 9 Sundeck the layout is thoughtfully resolved and the sense of comfort is a marked advancement over its predecessor, the refined interior and clever ergonomics inviting convivial days on the water. At the heart of the experience is an updated propulsion package: twin Mercury V8 250 XL AMDS outboards producing a spirited 500 hp, a combination that rewards the helmsman with eager acceleration and assured cruising. The helm benefits from modern aids and a carefully considered fit-out that makes every passage a shared pleasure.

Every convenience has been included: the Comfort Pack supplies an electric windlass, extended swim platforms, a 65 L cabin fridge, interior sink with hot/cold mixer, a 25 L hot water heater, a 220 V circuit with sockets and battery charger, a single-burner outdoor gas cooker and an indoor shower, while an additional cockpit refrigerator and a fresh-water electric toilet add further ease for day trips and overnights. Navigation and communications are handled by the Electronics Pack's Garmin 1223XSV multifunction display with GPS and depth transducer, complemented by a Garmin 215 VHF with antenna. Entertainment comes courtesy of the Sound Pack's Fusion MS-R107N stereo with 1600 W amplifier and four speakers.

The vessel is appointed with the Elegance upholstery upgrade, a striking black T-top with pull-out aft bimini, console and leaning-post covers, a fold-down seat behind the leaning post and a drop-down cockpit table with sun-lounger infill cushion. A wakeboard and water-ski tower, bow thruster, Zipwake automatic trim tabs, twin 288 L fuel tanks, Mercury pre-rig and Mercury steering complete the performance and handling package. Touches of natural material include a solid-wood cockpit sole and swim platforms along with a portside catwalk in solid wood.

Part exchange is welcome and finance is available. This Flyer 9 Sundeck is

ideally suited as a Motor Yacht, Powerboat, Day Cruiser, Sport Cruiser, Sundeck, Weekender and watersports platform.

DETAILED DESCRIPTION

Flyer 9

Space on board the Flyer 9 Sundeck is cleverly optimised, elevating the previous generation's comfort to a new standard and turning every outing into an occasion for effortless sociability. With cutting edge instruments and thoughtful amenities throughout, the joy of piloting this boat is all about sharing good times in great company, and this particular example is specified with the larger engine option: twin Mercury V8 250 XL AMDS units delivering a combined 500 hp for confident, spirited performance. Equipped with the Comfort Pack, the boat adds an electric windlass, extended bathing platforms, a 65L fridge in the cabin, an interior sink with hot and cold mixer, a 25L hot water heater, a 220V circuit with plugs and battery charger, an outdoor single gas cooker and an indoor shower, so life on board feels as easy as it does ashore. The Electronics Pack brings a Garmin 1223XSV multifunction GPS display paired with a Garmin depth transducer for clear navigation and soundings, while the Sound Pack supplies a Fusion MS R107N head unit with a 1,600 W amplifier and four speakers to fill the cockpit with rich, balanced audio. Style and practicality are enhanced by the Elegance upholstery upgrade, a black T top with a pull out aft bimini, protective covers for the console and the leaning post, an elegant fold down seat behind the leaning post and a drop down cockpit table that converts with a sun lounger cushion; a wakeboard and water skiing tower invites action and a bow thruster makes close quarters handling reassuringly precise. Daily comforts include an additional fridge in the cockpit and a fresh water electric toilet, while performance and control are further refined by Zipwake automatic trim tabs and Mercury pre rig with Mercury steering, endurance comes from two 288 fuel tanks and communication is clear via a Garmin 215 VHF with antenna;

underfoot, the cockpit, bathing platforms and the portside cat walk are finished in solid wood, adding warmth, grip and timeless sophistication. Part exchange is welcome and finance is available; please contact us now: Martin at Faith Yachts +44 7900 190919 or martin@faithyachts.co.uk

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
