# OVERVIEW

---

## 1997 Pursuit 3000 Offshore Express

This classic express cruiser marries seaworthy design with recent mechanical renewal, powered by brand-new 2024 twin Yanmar 4LV Series 250 engines, each rated at 250 HP and showing only 100 hours of use, driving through a direct drive/shaft configuration that promises reliable, efficient performance. The interior is thoughtfully arranged to sleep four in a single cabin and includes one head, while comfort is assured by a Cruisair air conditioning unit and a newly installed microwave alongside a fresh refrigerator. A comprehensive electrical setup features two 12V engine batteries, two 12V house batteries, an onboard battery charger and a 30 AMP shore power cable for convenient marina hookups.

Equipped for serious cruising and fishing, the vessel carries a 25 lb plow anchor with 250 feet of 5/8" rodes and a Lewmar windlass for straightforward anchoring, plus eight life jackets for safety. Electronics and handling are modernized with a Garmin 5012 GPS, autopilot, fish finder, and a Marlin Tower with steering. The diesel tank holds 250 gallons, and the boat comes outfitted with fishing gear to answer the call of anglers. Fresh bottom paint is scheduled for 2025.

Available for sale at the current boat location, this yacht presents an attractive blend of comfort, capability and recent upgrades for buyers seeking a ready-to-enjoy offshore sportfisher.
