OVERVIEW

KEY FEATURES

INNOVATIVE CENTER CONSOLE

Presenting an extraordinary member of the Jeanneau Leader Outboard Collection: the Leader 9.0 Center Console. This stunning 30-foot craft made its European debut in March 2018 and has now reached North American shores, marking its place as the first Center Console in the Jeanneau Leader lineup. Jeanneau has once again designed a powerboat specifically for the American audience, featuring groundbreaking elements that distinguish it from the rest. This distinctive 30-foot Center Console includes a double berth below deck, a separate shower and head compartment, with optional air conditioning and generator. If you're looking to purchase a yacht, this is the center console evolution you've been waiting for.

The sidedecks are crafted for easy navigation around the vessel, while the rear swim platforms offer simple access to the water. An L-shaped seating area around a table, along with two additional folding bench seats on the port side, provides a spacious setting for socializing. During the day, this table can be transformed into a large sundeck. The optional outdoor galley is fully equipped with a refrigerator, stove, sink, and plenty of storage.

The helm station offers elegant seating for three, all sheltered by a hardtop. Moving to the forward lounge, a U-shaped sofa can be combined with an optional table, converting into a generous sundeck for unwinding.

Whether you're planning a weekend escape or a sunset cruise with friends, the Leader 9.0 CC can comfortably accommodate up to 11 guests on board and is powered by twin 200 Hp engines (with an option for up to 250 Hp for greater performance). Dive into the world of yacht sales in your current boat location and experience the luxury and sophistication of this remarkable vessel.

DETAILED DESCRIPTION

Standard key features

The yacht features an impressive selection of amenities crafted to enhance both practicality and luxury on the water. At both the bow and stern, there are two forward and two aft mooring cleats, ensuring secure mooring in any harbor. The self-draining anchor locker is a convenient feature, simplifying anchor handling. A stainless steel pulpit not only adds a touch of sophistication but also ensures safety and stability.

For your peace of mind, the yacht is fitted with both manual and electric bilge pumps, providing effective water management. The sliding console door with a wide opening grants easy access to the interior, where a generous storage area behind the companionway is perfect for storing gear and essentials.

The design incorporates a three-seat leaning post, perfect for comfortable steering, and an aft cockpit bench that offers extra seating. For those who value luxury, the starboard folding side bench provides a premium seating choice. Anglers will appreciate the rod storage, complete with two rod holders, while additional storage is ingeniously built into the benches, optimizing space without sacrificing style.

Optional features

This yacht comes with a remarkable selection of optional features that take its luxury and functionality to extraordinary levels. Central to the vessel is the standard galley with a leaning post, offering a chic and practical area for preparing meals. The premiere trim level and comfort pack guarantee that each voyage is as comfortable as it is stylish. For those who appreciate state-of-the-art technology, the enhanced electronics package and audio

system provide an outstanding onboard experience.

The yacht also includes a mooring kit and anchoring kit, simplifying the processes of docking and anchoring. The folding side bench on the port side provides extra seating, while the dark smoke sunshades for both the aft and front cockpits offer excellent sun protection, perfectly complementing the aluminum T-top with its fiberglass roof and bold black supports.

For fans of water sports, the ski mast and polyester swim platform are indispensable features. The teak table in the aft cockpit, complete with a cover, and the teak table in the front cockpit add elegance and practicality to the outdoor areas. Maneuverability is improved by the bow thruster, while underwater lights create an enchanting atmosphere during evening cruises. Inside, the front cabin is equipped with a cozy mattress, and additional mattress options are available for the storage area, ensuring peaceful nights on the water. The automatic trim tabs by ZipWake and the Garmin VHF system boost the yacht's performance and communication capabilities. A horn is included for safety, and the Mabru air conditioning system maintains a comfortable climate onboard, no matter the weather outside.

Disclaimer

Although we aim to provide the most up-to-date and precise information, please note that this listing might not always capture the latest transactions or may sometimes include data entry mistakes. All listed inventory is subject to availability and prior sale, so we recommend consulting with dealership staff for the most current information. Prices are quoted exclusively for the USA and may exclude dealer preparation, transportation, taxes, or other applicable fees.
