OVERVIEW

The 2025 Jeanneau NC895 Sport S2 is an exhilarating 29-foot sport cruiser designed for thrill-seeking families and water sports enthusiasts. With a length of 29'4" and a beam of 9'10", this yacht provides ample room for a wide range of activities. Powered by twin Yamaha F250NSB2 4-Stroke outboard engines, delivering a total of 500 horsepower, the NC895 Sport S2 ensures robust performance for both leisurely cruising and exciting water sports.

This yacht available for purchase features a versatile layout with collapsible seating, plentiful storage, and a spacious aft cockpit, ideal for diving, fishing, paddleboarding, and kayaking. A standout feature is the broad starboard-side door, which facilitates easy loading of gear and access to the water.

Additionally, a large aft module offers customizable configurations to meet your preferences, whether for storage, a galley, a grill, or a livewell.

Below deck, the NC895 Sport S2 exudes a daring, adventurous aesthetic with its inverted windscreen, elongated hull windows, sleek black accents on the coachroof, and vibrant hull colors, making a bold statement. The interior comprises two separate cabins, a generous head compartment, and a saloon that transforms into a double berth, comfortably accommodating up to six guests. Discover yacht sales at the current boat location to purchase a yacht that perfectly blends luxury with adventure.

DETAILED DESCRIPTION

Installed options

This yacht exemplifies the pinnacle of luxury and practicality, featuring a wide range of installed options that enhance both comfort and performance.

Central to its design is the Trim Level Premiere, which epitomizes elegance and sophistication. The Comfort Pack ensures that every voyage is a delightful experience, while the Electronics Pack with a Garmin Upgrade boosts navigation and connectivity.

For audiophiles, the Audio Pack provides an immersive sound experience. The yacht comes with a Mooring & Anchoring Kit, ensuring ease and stability during docking. The folding side benches on both the starboard and port sides offer flexible seating arrangements, complemented by a graphite cockpit sun awning and a sunshade in the front cockpit for optimal relaxation.

Fishing aficionados will value the dedicated Fishing Kit, which includes a baitwell and saltwater pump. The roof rack storage is ideal for paddle boards, enhancing the yacht's versatility. Both the aft and front cockpits are adorned with elegant wood tables, perfect for dining or socializing. The filler cushion for the bow sunpad and the cushions in the front cockpit add to the comfort, while the Westerbeke 3.5kva generator provides a reliable power source.

Underwater lights and three cockpit worklights beautifully illuminate the yacht, creating a welcoming atmosphere. The air conditioning system, with a capacity of 16k BTU, maintains a pleasant climate throughout. The salon includes a filler cushion for extra comfort, and the custom bedding package ensures restful sleep. Privacy is assured with curtains for the wheelhouse, and communication is seamless with the VHF Garmin 215.

Additional features include a horn, automatic trim tabs with Zipwake technology, and bottom paint for hull protection. The bow cover and Optimus

system further enhance the yacht's performance and aesthetics. For navigation, the yacht is equipped with a Radar GMR 18HD and a marine radar scanner, ensuring safe and efficient travel. This yacht is a perfect fusion of luxury, innovation, and practicality, crafted to satisfy the needs of discerning yacht enthusiasts.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
