OVERVIEW

2024 Jeanneau NC895

65 hours on Twin Mercury 225XL DTS

Remaining Factory Warranties

Motivated Seller

This exquisite Jeanneau NC895, currently available for purchase, was delivered to its owner in January 2024. A lifelong sailor, the owner ventured into the world of power boating with this sophisticated and manageable vessel.

Unfortunately, due to unforeseen health issues, the owner and his wife must part with this nearly new yacht. With just 65 hours of use, primarily spent exploring Oleta Park and cruising the Intracoastal Waterway, this yacht is in pristine condition. Enhancements include an Accumulator Tank for the Fresh Water System and a Mantus Swivel for the main anchor. The Mercury 25-hour service has been completed, ensuring the yacht is ready for its next adventure. Outfitted with essential long-range cruising features, this yacht boasts a 3.5Kw Generator, Bow Thruster, 16000 BTU Air-Conditioning, and a Cockpit Enclosure.

The yacht comes with our exclusive InterMarine Delivery Package, which includes eligibility for Fun Escapades, hands-on Captain Training and Orientation, and after-sale service and warranty support from an authorized Jeanneau Dealer.

If you're considering buying a yacht and are interested in this sought-after Jeanneau NC895 model, please reach out for a detailed description of this exceptional vessel. Don't miss the opportunity to own this luxurious yacht currently located in a prime boating area.
