DETAILED DESCRIPTION

Standard Key Features

The yacht features a stunning exterior with the Elevate Color Scheme, showcasing a bold mix of Jet Black and Crimson Red, while the interior is elegantly styled in the refined Red Elevate theme. Crafted for both luxury and convenience, it includes an anchor locker and a walk-thru transom on the starboard side, ensuring effortless access and maneuverability. The self-bailing cockpit offers a worry-free experience and is equipped with two portable coolers for your beverages.

Comfort takes center stage with a co-pilot seat featuring a flip-up bolster and helm bucket seats with bolsters, providing a customizable seating arrangement. The yacht is fitted with dual multi-function displays and a port console with a head, ensuring both practicality and comfort. Entertainment is easily accessible with an AM/FM Bluetooth stereo system and multiple USB ports for connectivity.

The swim platform is enhanced with a foldable terrace, and the Seanapps System ensures seamless technology integration. Relaxation is assured with a spacious, multi-configurable sundeck lounge area, complemented by electric terrace platforms on both port and starboard sides. The outboard-facing backrests and forward aft flip backrest offer versatile seating options.

Navigation is effortless with dual 12" screens, and the convenience of wireless phone chargers/holders ensures your devices are always ready. The yacht also includes the Winning Edge Protection Plan Stable Vee Next Gen, providing peace of mind and exceptional performance. This vessel is a perfect fusion of style, comfort, and advanced technology, designed to enhance your yachting experience.

Optional features

This yacht comes with a remarkable selection of optional features crafted to elevate your time on the water. The LX Package offers a Bimini top, retractable cleats, and reed flooring in the cockpit, blending style with practicality. For those desiring extra comfort, the SLX Package includes bow fill-in cushions, covers for the bow and cockpit, docking lights, a mat for the swim platform, a table, and a walk-thru door, ensuring a luxurious and seamless voyage.

The yacht is also equipped with a windlass that includes a stainless steel bow shield, anchor, rope, and chain, simplifying the anchoring process. A folding arch tower with an FRP hardtop in a sophisticated gray finish adds elegance, while its electric operation ensures user-friendliness. The cockpit is further enhanced with a refrigerator to keep your drinks chilled and a battery charger to maintain power to your systems.

For additional convenience, the yacht features a head with overboard discharge. The premium sound package enhances your entertainment with digital signal processing, a JL Audio 800W MVi amplifier, a JL Audio 400W MVi amplifier, six JL Audio M6 7.7" speakers, two 10" JL Audio M6 subwoofers, a lighting package, and a stereo remote at the transom.

To ensure shade and comfort, a sail shade is available for the cockpit, and the marine mat in titanium and black adds a touch of sophistication to the cockpit area. These optional features come together to create a yacht that is not only stylish and comfortable but also equipped with cutting-edge technology and amenities for an unmatched yachting experience.
