OVERVIEW

The 273cc - Your Ultimate Adventure Companion!

Experience the 273cc, a vessel that reimagines versatility and opulence on the water. Renowned for its superiority, Everglades Boats' 243cc has established the benchmark for hybrid inshore/offshore crafts. Now, the 273cc advances this tradition, presenting upgrades that fulfill your every desire, even those yet to be conceived.

This 2021 edition amplifies the remarkable fishability of our stable, fiberglass bay boats with its cutting-edge Upper Station design, offering enhanced visibility. It features an auxiliary helm, trim tab indicators, integrated forward rod holders, and a collapsible foot platform, enabling you to detect fish before they detect you. The streamlined, powder-coated bow rails and pop-up cleats, paired with the casting platform and bow seating, simplify the task of catching live bait. With stainless steel gunwale flush-mounted rod holders, under-gunwale rod racks, an illuminated live well, and more than 82 gallons of fishbox space, the 273cc is a fishing dynamo. Relish the most comfortable journey with two foldaway seats at the stern, each adjacent to insulated storage.

An advancement of the 243cc, the 273cc emerges as the top choice for those in search of a larger, more sophisticated hybrid inshore/offshore yacht. Delve into yacht sales in the current boat location and seize the chance to acquire a yacht that guarantees unmatched adventures.

DETAILED DESCRIPTION

Section name

The 273cc is the ultimate vessel for any adventure! Building on the legacy of Everglades Boats' 243cc, renowned as the top hybrid for both inshore and offshore excursions, this model elevates the experience to new heights. Introducing the 273cc: it retains all the features you adore about the 243cc, now enhanced to fulfill every wish—even those you haven't yet imagined. Enhancing the exceptional fishability of their ultra-stable, fish-focused fiberglass bay boats, the 2021 273cc boasts an innovative Upper Station design that enhances visibility. It includes a secondary helm, trim tab indicators, integrated forward rod holders, and a foldable foot platform, enabling you to spot fish before they notice you. The sleek, powder-coated bow rails and pop-up cleats, combined with the casting platform and bow seating, make catching live bait effortless. With stainless steel gunwale flush-mounted rod holders, under-gunwale rod racks, a lighted live well, and over 82 gallons of fishbox capacity, the 273cc is a fishing powerhouse. Enjoy the most comfortable ride with two foldaway seats at the stern, each beside insulated storage.

An evolution of the 243cc, the 273cc stands as the premier choice for those seeking a larger, more advanced hybrid inshore/offshore yacht.

Basic boat info

Presenting "Back in Black," a 2020 Everglades 273 Center Console that perfectly marries elegance, performance, and practicality. This pre-owned vessel, situated in the scenic Key Largo, Florida, exemplifies Everglades' dedication to excellence and forward-thinking design. Measuring 27 feet 3

inches in length with a beam of 9 feet 3 inches, this center console boat provides generous space for both leisure and exploration on the water.

Constructed from resilient fiberglass, the hull guarantees a smooth and steady journey, while the gas/petrol engine propels the boat to an impressive top speed of 51 mph. With a maximum draft of 2 feet 7 inches, it offers adaptable navigation across diverse water conditions. Priced at US\$199,000, this vessel is a prime opportunity for those in search of a high-performance boat with a reliable history.

Whether you're venturing into the open ocean or navigating coastal waters, "Back in Black" promises an outstanding boating experience. Its streamlined design and sturdy build make it an exceptional choice for those who value both aesthetics and utility. Seize the opportunity to own this extraordinary Everglades 273 Center Console and set sail on your next nautical journey.

Information & features

The 2020 edition is equipped with dual Yamaha F300 outboard motors, each offering a powerful 300 horsepower. These engines, having clocked 707 hours, run on gas/petrol and are fitted with three-blade stainless steel propellers, guaranteeing both resilience and efficiency. The boat's overall length is 29 feet, with a beam measuring 9 feet 3 inches, ensuring plenty of room for both comfort and utility. The maximum bridge clearance is 7 feet 11 inches, and the draft varies from 1 foot 6 inches to 2 feet 7 inches, allowing for adaptable navigation across different water environments.

The vessel's architecture features a 20-degree deadrise at the transom, enhancing its stability and smooth sailing. Weighing in at 6,400 pounds when dry, this boat is both robust and nimble. It cruises comfortably at 36 mph and can accelerate to a top speed of 51 mph, with a range of 271 miles, making it suitable for both brief outings and extended journeys.

The fuel tank holds a generous 157 gallons, supplemented by a 20-gallon fresh water tank and a 6-gallon holding tank, ensuring you have all the necessities for prolonged stays on the water. The accommodations include a guest head, offering convenience and comfort for everyone on board. This vessel perfectly combines power, performance, and practicality, poised to provide an outstanding boating experience.

Other

This remarkable yacht is the creation of the esteemed Everglades, celebrated for their dedication to excellence and cutting-edge design in the boating industry. The hull is designed with a deep Vee configuration, ensuring exceptional stability and a seamless journey, even in demanding marine environments. To further assure the owner, this vessel is accompanied by a lifetime warranty, highlighting Everglades' trust in the enduring quality and resilience of their workmanship. This blend of masterful construction and an extensive warranty makes this yacht an outstanding option for discerning buyers in search of dependable performance and reliability on the water.

Additional information

This yacht is outfitted with an array of high-end features crafted to elevate your time on the water. It includes four rod and cup holder combinations, thoughtfully positioned with two in the forward area and two at the bow, ensuring both convenience and practicality. The sound system is enhanced with the JL M6 Series LED speaker upgrade, while LED underwater lights create an enchanting atmosphere for your nighttime excursions. An electric jack plate and a sleek black 8-foot Power Pole Blade® further boost the vessel's performance and adaptability.

The electronics suite is extensive, featuring a Garmin GHS 11 wired handset

with an upper station option, a Garmin Marine Radio VHF-215, and a dual chartplotter/sonar system with the Garmin GPSMAP® 616xsv. Additionally, a Garmin GPSMAP® 612 single display, a Garmin GT51M-Transducer, and a Garmin Radar with a 4-foot open array provide all the navigational tools you require.

Regarding canvas and upholstery, the yacht showcases a solid tan upholstery color paired with white canvas accents. Canvas cover options include a helm seat cover, forward console seat cover, and console cover, offering both protection and style. The gel coat and paint feature a striking black Awl Grip finish for the hull, with hardtop undersides matching the hull color, resulting in a unified and sophisticated look.

The engine package comprises twin 300hp Yamaha Helm Master EX engines with electronic steering, painted black to complement the vessel's sleek design. Please be aware that while the company provides these details in good faith, it cannot guarantee or warrant the accuracy of this information or the condition of the yacht. Potential buyers are advised to have their agents or surveyors verify any details they wish to confirm. This yacht is available subject to prior sale, price modification, or withdrawal without notice.
